NSW State Championships 160km – 80km

This year Wingello is host to the NSW State Championships 160km, and a no frills 80km ride. We have use of the big grassy paddock again for our ride base, with plenty of room for everyone. The ride will be undulating and good underfoot, with some super-pretty trails. The food court this years boasts not only the Wingello Village Store canteen with roast meat, hamburgers, grill items and more, but also a canteen run by The Studio restaurant from Exeter, with pizza, pasta and salads. We will have the Spudship Hot Potato Van and the Magnificup Coffee Van. Dave Newman will be entertaining us on two nights this year – a Thursday pre-ride party, and on Saturday night til late. There will be showers, toilets, water, undercover seating and a big communal campfire. Come one, come all.
