

OWNERSHIP OF THE HORSE

It is the responsibility of the purchaser of the horse to notify the State of the change in ownership details. It is important that the correct person be registered as the owner of the horse as this assists with the correct allocation of National and State distance and pointscore awards as well as identifying the persons responsible for the horse when disciplinary actions need to be instituted.

Process for Changing Ownership Details

When a sale of a horse occurs and the horse has had a logbook issued it is the responsibility of the new owner to notify the State of the change of ownership. A transfer of ownership form must be completed and forwarded to the State, together with a cheque for \$11 and the logbook.

Once the transfer of ownership form is received the logbook can be amended with the change in owners and the transfer verified by the Logbook Secretary/Registrar.

Procedure for Recording Change of Ownership

Transfer of ownership forms are to be made readily available to all members, preferably through the State Newsletters or upon application to the Logbook Secretary/Registrar.

Once a logbook, transfer of ownership form and fee are received the Logbook Secretary/Registrar will:

1. Record the ownership transfer into the logbook.
2. Verify the transfer.
3. Return the logbook.
4. Record the ownership transfer into the computer records of the State Division.
5. Keep a copy of the ownership transfer form and forward the original to the AERA Registrar.
6. Forward the \$5 fee to AERA.
