

PUTTY VALLEY ENDURANCE RIDE 2010

HOSTS TO THE RETURN OF THE ZONE 1 CHAMPIONSHIP!

Here we go again! The first ride was so successful that we are well on our way to organizing the 2nd Putty Valley Endurance Ride.

The event will be held on the weekend of 17/18 July 2010 with the ride base in grounds kindly donated by local resident Judy Hobson, and the Putty Hall Community Association.

This is a major fundraiser for the Putty Valley Rural Fire Brigade and PCA.

We will be hosting the Zone 1 Championship 100Km Elevator ride plus a 40km training ride and a 20km social ride.

Thanks to the generosity of local land owners the ride will traverse private properties, fire trails and National Park offering a very beautiful scenic environment. Putty is undulating terrain and offers riders a challenging course.

Registration will be held on the Saturday and all three events will be held on Sunday 18th July. (Sorry, no registrations will be taken on Sunday).

For those who are unfamiliar with the process, we will be only too happy to discuss this with you. We can be contacted by email on lee-anne@tracer.net.au or phone 0245670567 after dark.

A full canteen will be run as last year by the Putty Valley Rural Fire Brigade and Local PCA from Saturday lunchtime so please support them over the weekend, including a full sit down dinner on Saturday night, for which bookings are requested.

Firewood, horse water and shelter in the Putty Hall will add to the comfort of the weekend. Not to mention clean, flushing toilets. Dogs welcome but to remain on leads at all times please.

Just a little local knowledge. There are no shops at Putty. The last petrol coming from the north of Putty is at Bulga and coming from the south is at Colo Heights.

Entry Fees

100K – Senior \$110

Junior \$80

40K - \$54

20K - \$25

PRIZES:

Embroidered rugs for 1st place in each division and rugs for best condition horse in each division.
