

RIDE SURVEY FORM

September 2024 V1.0

The purpose of this confidential survey is to allow Endurance NSW ride participants to supply positive and constructive feedback about rides they attend to support our Ride Organising Committees.

Ride Organisers are often small teams of very hard working volunteers who give up a lot of their own time to run these events and we would like to supply them with your positive feedback and also any constructive comments that may help them improve any future events. More volunteers are always required so please if you can, offer to help out.

Respondents names will **not** be passed on to Ride Organisers unless you agree to volunteer at a local event and then only your name and contact information will be supplied. This survey information will be held in the strictest confidence and will be summarised and supplied to the Ride Organiser after the event by the Ride Support Portfolio holder.

- Forms must be in within 21 days of the ride: Email to: nswera.fionameller@gmail.com
- Derogatory personal comments will make the Survey invalid.

WOULD YOU CONSIDER VOLUNTEERING AT A RIDE OR JOINING A ROC?

Are you on a ROC/Zone Committee?
Have you volunteered at a ride in the last year?
Would you be able to assist at a Ride for a few hours, provided you could still ride?
If you could assist what would be your preference/skill-set? Office? Sponsorship? Track Marking? Checkpoint?
Can we give your name and contact details to a local Ride Organising Committee?
