Membership Information Forum

Commencing 9am, 23rd February

NSWERA is presenting a Membership Information forum after the AGM. This is aimed at all riders that wish to compete in endurance rides, whether it be 10Km or 100km.

This would be a great opportunity to get a running start for the Step-up Program NSWERA is commencing next year to encourage riders to step up and attempt an 80k ride. Details to be released shortly.
