President's Report

So far this year we have run 17 endurance events with an average of 95 entries per ride. Our current membership stands at 539 with 63 of those being new members.

Good luck to all those travelling to Batemans Bay for our premier ride the, NSW State Championships.

AT the moment the NSW committee is working on updating its procedures and job descriptions for every position on the committee. Once completed these will be put on to a CD and every committee person will receive one making it easier for those joining the committee to know what is expected of them.

So far this year it's very pleasing to note we have had no disciplinary matters in NSW.

Our vet recruitment is coming along well and by the end of the year we should have about 8 new accredited vets for our ride organisers to contact. Add this to our 2 TPR courses held this year and 1 Chief Steward's course and things should be a little easier for our ride organisers.

The FEI course for officials and vets held in Sydney was very successful and well attended not only by NSW but other states too. NSW now has 3 new FEI officials and 3 new FEI vets.

Congratulations to Blake Freeman and Allix Jones for being selected on the Australian team for the Youth World Endurance Championships being held in Hungary in September.

Congratulations must also go to the Australian team that travelled to South Africa and came away winning the event and taking the gold medal home. NSW was well represented in the team with Jennifer Gilbertson, Metti Sutton and Tammi Parnel as riders and Graeme Gilbertson as team manager.

On a more serious note when phoning Jacky please ring no earlier than 8am & no later than 7.30pm. These 6am & 10.30pm phone calls are in my opinion just a little rude. Please allow 2 weeks for Logbooks and Memberships to be returned to you. When you get several Logbooks that are required 2 or 3 days before a ride it tends to add just a little undue stress!!.

Have Fun Riding
Neil

Notice No. 1

At this year's A.G.M held at Nelsons Bay, someone collected Laura's Cheenry's Big 3 Trophy for her. Problem is said trophy hasn't made it's way to Laura!

I have been sleuthing all over the State via phone and Email. The best I can ascertain is that a lady with dark hair—possibly over 40—who was sitting at a table over near the bar close to the Cowra people collected the trophy for Laura.

If you were at the AGM and can remember this lady's name, please contact me so that I can call her.

I'm sure that the person who has Laura's trophy has no doubt put it somewhere safe and has not seen Laura yet to give it to her.

My phone number is 63737750

A Good Death

By Margaret Turnbull

There comes a time when it is necessary for a responsible horse owner to put a horse down for medical reasons. Indeed I view it as a duty – to spare your beloved horse any further pain or suffering. It is the least you can do for them.

Sadly, I have had to do this several times – having owned many horses over 30 years or more. Recently I had to do again with a horse I had owned and loved for 17 years, an extremely sad parting but it was time and it went well.

When we had the previous horse put down, it was rather traumatic as he was scared and jumpy and difficult to medicate. Also we had him buried on the property – emotionally appealing but fraught with difficulty as they are such large animals and need a very large and deep hole. This is in itself a problem – even if you have plenty of space – if you try and dig a hole in bush land – it's rocky and therefore difficult and expensive (and sometimes impossible depending on the rock). You need a substantial backhoe (bobcats usually can't dig the hole deep enough). It is hard to position a horse in a hole (and often frightens them) and they are usually put down outside the hole and then have to be moved when dead before covering with earth. The covered patch of earth remains uneven and often subsides for two years or more and is a danger for other horses in the paddock – therefore it needs to be fenced off to stop horses' hooves sinking into the earth.

So when making a decision you will need to consider this (it also costs as much as and maybe more than having the body of the horse removed and buried elsewhere - appx \$240). Obviously, it is a personal decision for each owner but helpful to consider the practicalities and your particular circumstances. You may want to consider some commemorative tree or plant in your garden.

Suggestions:

1. At least two weeks before the horse is put down move his or her companion horse to bond with a different horse if possible.
2. Get a friend (or adult family member) to help you – you will need the support
3. Get someone to mind any young children and keep them out of the way and out of view of what will happen
4. Get a horse disposer (with a float with a winch) who will take the dead horse away and bury it on his property
5. Select a cleared space (preferably a paddock or somewhere the horse will be comfortable) with access for the float (shut other horses away from here and lock away dogs as they can get distressed or come into contact with the dead horse's blood which is poisonous to them)
6. Pre-medicate about 1 - 1 1/2 hours prior giving crushed tablets in their favourite grain dampened with molasses water or on bread with molasses – leave the headstall on. Put headstalls on the other horses you may want to show the body to and put them in a yard or where you can catch them easily.
7. The horse will be calm and a bit dopey – take his or her favourite treats (apples, carrots, pears, bread) and remove his rug and make some time to say goodbye before the vet arrives.

8. Follow the vet's instructions – be careful not to be knocked down when the horse falls over. Hold the lead rope and stand back. The vet will put the canula in the horse's neck (usually quick and fairly painless) and then the "green dream" (Nembutal – two tubes usually). The horse will die very quickly and calmly and fall on one side – dead when they fall to the ground. The vet will check the heart beat to make sure the horse is dead and then remove the canula. All the horse feels is the prick of the canula and it should be swift (10 seconds or so) and calm (mine died eating a carrot).

9. There may be some final twitching (of eyes mainly) and a final sigh but the horse is already dead and this is a nerve twitch.

10. Bring any bonded horses in to view the body (with headstall and lead rope). They may require some time (about ten minutes or less). They may be a bit spooky at first but will quickly settle down and smell the horse. Particularly they seem to smell its nose – and they must notice that it is not breathing (in the same way they smell the other breath of another horse when meeting it). You can see them realise that the horse is dead and they will turn away and they may even start to graze nearby). Our bonded horse (had been with him for 16 years as a paddock mate) did not even whinny to his dead mate – he seemed to totally understand that he was gone. He had spent the last few weeks with another horse to prepare him). You may want to keep a piece of tail or mane. Have the money in an envelope in your pocket so you can easily hand it over to the disposer.

11. Remove the horses to another paddock and then the disposer will winch the horse on the float and take it away (usually best not to watch this).

12. Have a cup of tea (or whatever) with your friend – cry and feel relief that it is over. Do not be afraid to cry during the whole process as it is a good release of all those emotions and vets and the disposers have seen it many times (anyway who cares!).

Like all of you, I wish horses, cats and dogs lived longer. But we have the opportunity to ease their death – let's try and make it as smooth and calm as we can for both them and ourselves.

The first time I had to have a horse put down was in traumatic circumstances after an accident and I was so upset I considered not owning a horse again. After much thought, I decided what counts in the old measurement of the scales. Yes, it is very distressing when they die, but against that you have to weigh up all the pleasure and joy that they bring you and that always wins out.

TUMBARUMBA REVIEW 2009

Congratulations to all the successful competitors at the 2009 Tumbarumba ride. With an average 80% completion rate it is a credit to these riders who sensibly rode the reasonably challenging Snowy Mountains Zone course.

In the 100KM FEI 1* event Currowan Black Nugget and Jenny Shephard were 1st place and Best Conditioned, Cedar Ridge Desert Express (also 1st in the Southern Stars Young Horse Championship Series) and Blake Freeman 2nd place and Kathmar Park Ambush (carrying 90 kilos!) and Paul Keyes 3rd place.

The FEI1* was the second in the Southern Stars Young Horse Championship and four horses qualified for the finals at the end of the year. Aloha Delegate, Clovelly Park Tazeem, Churinga Gold Fire as well as C R Desert Express mentioned previously.

Well done to the international riders. Lina Weigel from Germany came 5th on Tristram Hale in the FEI 1* and Pierre Auffret from France, riding Magic Glenn Jake the Lad 2nd in the 80KM middle-weight division.

Equal 1st place winners of the Norm Bradley Memorial 80KM were Garrone Park Walker (1st HWT & BC) rider Stuart Lymbery and TB Kyneton (1st MWT & BC) rider Gail Pound. James Sheahan on Magic Glenn Chilli was 3rd.

The ride organisers and the ride officials felt the combination of both FEI and AERA disciplines at the 2009 Tumbarumba event ran reasonably smoothly. This was all thanks to the team led by our intrepid Chief Steward Tom McCormack and Ground Jury President Denise Trollope. Of course it could not have been achieved without the Snowy Zone TPR crew - Rick Owen and Gordon Smith along with Dave Edgar, Belinda Hopley & Laeli Hogan.

Irene Malone and Kerry Spratt did a great job on the FEI side with the help of committee member Trish Pratt and a 'non horsey' volunteer Joyce Moran. Vets Robyn Mather, John Crowley, Fiona Thompson and Georgie Sheridan worked cohesively to make sure our four legged friends stayed healthy and happy.

As usual the success of the ride is due to the numerous volunteers that lend a hand on the day, from the time keeping to the radio room, pencilers and all the checkpoint people. Although it has been said before it cannot be stressed enough that without these volunteers we could not run endurance rides.

We specifically would like to thank Jo McMahan and Kim and Ellen Stephens who mastered the computer which made the office work so much easier.

Of course it cannot go without saying that our thoughts have continuously been with Meg Wade, Chris Gates and the Castlebar crew since Meg's terrible accident in the final stages of the 100KM ride. The quick action of Brian Farthing (volunteer Rotary Club member and checkpoint man) saw Meg attended by ambulance officers and swiftly removed to Canberra hospital by the Snowy Hydro SouthCare Helicopter. Dr. Trish Annetts also has to be highly commended for her invaluable assistance at the scene of the accident. Also praise to Blake Freeman for his gallant display of sportsmanship in catching and returning Meg's horse to the checkpoint before continuing on to take 2nd place.

Tumbarumba Endurance Inc. wishes Meg all the best for her rehabilitation. Meg's sheer tenacity and strength of character should also help in her recovery.

Many thanks have to go to Castlebar and Magic Glenn Farms for their very generous sponsorship of the FEI event. As usual our many sponsors cannot go without mention:

AND FINALLY to Keith Sutton, who we all know likes the final word, thanks for your kind donation of prizes for the Training Ride, encouraging the young and the new to our sport.

Oberon Ride Review – 26 April 2009 .

The Cedar Ridge Team held its tenth endurance event of 2009 over the ANZAC Long Weekend. A total of 84 riders braved the four seasons in a day that saw other equine events cancelled because of the extreme weather conditions. Whilst at times damp, the conditions were generally ideal for horses with some seeing snowflakes for the first time.

The whole camp held a minutes silence at the pre-ride talk in respect of the ANZAC tradition and wore the rosemary thoughtfully provided by Victoria Bonham. The get well card for Meg Wade was signed by everyone, with positive thoughts and well wishes for her speedy recovery.

The heavyweights won on the day with line honours going to Chris Magnabosco riding his 8 year old homebred mare Magna Carlina in a winning time of 5.03 closely followed by Charlie Gouci during the entire ride with his 9 year old gelding Stacey-Le Zorro at 5.03.01. Chris also took home the fittest horse award. With 26 horses competing in the middle-weight division, Gary Bennett riding his part bred Arab gelding Karabil Yaningi was successful in the time of 5.48 and also won the prestigious fittest horse award. The lightweight division was won by Jennifer Annetts riding Billywillinga Rocky in a time of 5.48. Jennifer was also the fittest horse recipient. Our junior division was won by Talea Hasko-Stewart riding Blake's Heaven Ventura in a time of 6.12 and also received the fittest horse award.

The water was placed at 5km intervals as requested and the rescue float was not needed at all. It was great to see our vet team, headed by the highly respected and hard working Robyn Mather, were enthusiastic about our sport of endurance and the care and consideration showed on the day to their horses and are keen to return in November.

Our 33 training riders included the next generation of riders namely Andrew Mackinder completing his first trainer with his dad Alan who has multiple wins and buckles from the Quilty and Shahzada and Madelene Sinfield who rode with her mum Dody. This would make her a third generation endurance rider. Those of us who have been in the sport for a few decades will remember her grandmother Patsy Sinfield and her mule Juanita she successfully campaigned. With snow forecast for the night we all headed for the hot showers and warm beds after a very enjoyable weekend.

Thank you to our support team of Lindsay Knight and Gordan and Kay Smith in the TPR area and Jo McMahan in the office.

Go Safely,

Lesley Freeman - Chief Steward

Mudgee Ride Review

The Mudgee Committee was pleased to welcome 130 riders to the ride base at Cooyal on 16 May. The numbers were swelled by 15 entries in the 20km social ride, several who had not entered an endurance ride previously, so hopefully they will try some more.

In contract "retired" endurance riders Eric Robinson and John King led the field very sedately, causing a few comments regarding their loss of status. The weather chose this moment to deliver a blast of wind and horizontal rain which wasn't very encouraging for the newcomers, but they endured and all 15 passed the final vetting.

Riders came from across the State, plus one from Perth, one from New Zealand and international rider, Gawie Viljoen from Namibia, riding a horse supplied by Keith Sutton. Gawie was unlucky to vet out at the end of the first leg but cheerfully said he had enjoyed himself anyway.

The start of the 80km at 6am on Sunday was in complete contract to Saturday's social ride. It was calm and clear with light mist in the valleys at sunrise making it a pleasure to be riding.

Mette Sutton riding Tuldar The Magician were running 10th at the end of the first leg but Magic picked up his pace in the second leg and overhauled the leaders. They won the ride for the third consecutive year, in 4 hours 16 minutes, taking the trophies for First Middleweight, First Across the Line and Fittest Horse.

Fellow Mudgee rider Garry Bennett riding Karabil Yaningi was second Middleweight in 4:24, riding with Gloria Mills.

Mudgee riders took out two more divisions. Gloria riding Glendos Sabodie was First Lightweight and Sabodie was Fittest Horse and received the Perpetual Trophy for First Anglo/Thoroughbred. It was the fourth time they have won the Lightweight Division.

Ben Hudson riding Mandy in 5:36 won the Junior Division and received the Braithwaite Trophy for First Junior with Mandy being awarded Fittest Horse.

All six Juniors were successful, being the only division with 100% success rate.

The Heavyweight Division was won by Scott Davenport riding Alhambra Pierrot with Pierrot receiving Fittest Horse. Their time was 4:18.

The vets Encouragement Award went to Felicity Martin riding Dot Martin. She was quite overcome and thrilled to bits.

There were no vet-outs on heart-rate or metabolics which please head vet Ray Gooley who congratulated the riders. Ray was presented with a painting in appreciation of his 33 years of vetting the ride. Two other vets from Mudgee Vet Hospital, Dave Gardner from RLPB and Tom Perkins as Chief Steward made up the vetting team and our thanks to go to them all for a great job.

Our thanks also go to Bev and Keith Sutton for caring for three young children whose mother had a fall and was hospitalized for observation. Thanks to Peter Lynch and his crew for checkpoint two who assisted after the fall.

The Cooyal Progress Association did a great job in the canteen and served up more than 100 dinners on Saturday evening. Cooyal and Cooks Gap Bushfire Brigades manned the radio checkpoints while Hartley Sutton checked the course on his motorbike prior to the start. Thank you to everyone involved.

We also had wonderful support in the office and TPRing, thanks to Kate and Gordon Smith from Harden, to Stacey Pound on the computer and to old time Mudgee member Carmel Forrester for setting up.

Thanks to our timekeepers, to the girls who ran the logbooks to Craig on the progress board and Rohan for driving the rescue float. And of course the three property owners who go to the trouble of moving their stock so that gates can be left open. How could we run the ride without them?

Leanne Maynard, riding her second successful 80 km ride, actually rode closer to 130km as her float was being repaired and she rode to Cooyal and home again afterwards. Her saddle came apart in the first leg and had to be replaced, but she completed the ride in the true endurance spirit.

Mette Sutton is riding in South Africa in her first international event. The South African championships will be held on 7, 8 and 9 July. They are run in a similar way to Shahzada with three rides of 80 km each day. She will be back home by the time you read this.

Our 'Cover Girl' Bernice King and Noble Navaar Destiny brought their total kilometres to 2,470 at Cooyal. Bernice's career total is a staggering 17,048 kilometres riding seven horses. Beau Nicholas clocked up 5,667 km, completing all but one of the Winton to Longreach rides, Doralmir Park Saraband completed 1,135 km. Buckaroo Diamond 955 and

Doralmir Park Nicholas 6,261 km and two others. Nicky was a lucky name for Bernice.

Good riding and good luck to those going to the State Champs.

Forgotten Valley Classic – St Albans

I have not ridden in the McDonald Valley for about 14 years. Last time I was there I joined the Friday Club at Shahzada.

It was really good to return to the valley. The committee organized perfect weather for the weekend. Light drizzle at the start at 2.00am soon cleared to fine day with a gentle breeze and a full moon for the sections in the dark.

The ride itself was fantastic. My horse Kadi-mah Park Hamelech, (aka King), was attempting his first 160km and it was my first for many years, so the nerves were pretty active before the start. King was a bit more hyped up than usual at the start but once we crossed the timing line we both settled down although King couldn't understand why I was not allowing him to travel at his usual speed.

With the small field I was soon able to get him on his own and we settled into a good rhythm along the Common Rd. We were then caught by Ava Pellizzari and Stuart Lymbery while climbing Browns Hill and rode along with them for over half the first leg along the Transmission Rd. I decided that Stuarts pace was a bit fast and furious for us so I walked King for a while then finished this leg on our own.

Stuart had completed this leg about 20mins faster than us so we were not to ride with him again. Ava was only a couple of minutes faster than us so after both horses vetted well we rode together for the rest of the ride.

The second leg up Jacks Track and down McKechnie's was quite an eye opener for King as he has never been on narrow bridle paths before. Jacks has been widened substantially since I last saw it but McKechnie's is no wider although there has been a lot of work on it and it is considerably safer. King handled the narrow track like he was born on it. I was so proud of him.

The third leg went out to Wrights Creek, up Blue Hill then down Short Wellums. The only concern we had here was Ava's horse Razorback Blue Kakadu (Sid) was very unsure of the creaking, groaning windmill on Lyndrian corner. The rest of the leg went smoothly with King once again handling the bridle path down Short Wellums with ease. Once again both horses vetted well and after a rest were ready to tackle the fourth leg.

This leg was an easy 12km run up the Common Rd across the creek to the other side of the Common and a lovely canter back towards home on the soft sandy Common itself until the top end of the lake then back onto the road and back to camp. A steady two and a half hours for this leg saw both horses vetting well again.

The last leg of 20km was the same as the fourth leg except we turned across the Common a couple of kilometres earlier. This leg saw Fiona Meller join us for the dark section along the sandy paddocks. We completed this leg in just under two and a half hours and vetted well for a safe 160km completion.

Ava and Sid gained second lightweight. King and I were fourth middleweight and Fiona and her mare (whose name I can't recall) were fifth middleweight.

Thanks must go to the committee for running the ride, all the vets and stewards for your assistance and anyone else who helped. Thanks to WICEN for their communications and keeping track of all riders. Also the RFS for supplying drinking water for horses and manning gates in the dark. Thanks

to Ava and Sid for their company for all those miles. A big thank you to my partner and strapper Barrie for all your help. Finally a huge thank you to my best mate King, my hero. I could not have done it without him.

All in all a great weekend.

Colleen Clancy

St Albans

Wow, Where do I start...

What a weekend. The ride itself was really amazing. It had everything, rainforest, spectacular views, goat tracks, beautiful open going through the common, full moon moonlit nights, national parks with Australian wildflowers, misty lakes, just beautiful. My riding partner, Chris Turnbull and I decided the perfect speed to appreciate all this was at 12 km per hour or slower. We thoroughly enjoyed our first 160km.

To the very small committee of Brad, Wendy, Neil and Peter, a big cheers and thank you. A huge effort and you should know how much we appreciate it.

Thanks also to the WICEN people out on track having to wait sooooo long for the slow pokes, Thank you so much. They were always happy and supportive, enjoying being out in the bush.

Both AERA and FEI vets worked together and I had the pleasure of being vetted by both, Thanks for a very long day.

To Chris Turnbull, who motivated me in the first place as she wanted someone to ride with. She was so convinced that nothing was going to get in our way. We had a great time, We sang silly songs, told silly jokes, helped each other the whole way and the two horses travelled really well together. Charlie is one very tough little character.

My family of strappers, Chris the super strapper, Indigo the apprentice super strapper and Karri the reluctant would rather be fishing strapper, Thanks Guys. I owe you.

I would also like to thank all those who stayed up till 12.30 am to watch us

vet. Who were those crazy guys on the corner cheering and chanting as we rode in? It was awesome. Flashing lights and all. Thank you to the peanut gallery who sent up a cheer as Xerox trotted for the second time and helped him find one last bit of adrenaline and energy for a better trot. I really owe you guys. And for all the warm congratulations and hugs after Robyn gave me a congratulations hug. THANKS GUYS. It was hard not to cry. I felt overwhelmed by all the attention and good wishes.

And to the horse, Littlebanks Xerox, who has a checkered background, was not my first choice, had a few issues before we even started and I had only ridden 5 times before hand. What a little legend. Tough and willing. I have the utmost respect for him now and Chris may not get him back. Thanks Xox.

THE FORGOTTEN VALLEY Ride Review

Fantastic Ride – I vetted through so of course I think so. Many, many thanks to organisers, volunteers, vets and all concerned; so lucky with the weather as well – a great day of riding – thanks to you Vicki.

would also like to thank my coach, farrier, strapper, husband Ralph for all of your help (of course you owed me!) and to my friend Kate & family, my three daughters Tammie, Jody, Kay and granddaughter Ashleigh for your support, love and strapping on the day – it made me so proud to see you all there helping and encouraging me.

To my horse CHARLIE – I love you and thankyou from the bottom of my heart and yes you sure are one little very tough character.

NATIONAL CAPITAL RIDE (80/40/20)

6 September 2009

The National Capital Ride returns to its traditional base at "Brookvale", Uriarra after a break of four years. The ACT Endurance Riders Association very much appreciates the family of the late Allen Blundell continuing to host the ride on their property.

The ride base is a no-frills campsite in a picturesque sheltered valley with a clear creek meandering through it. Facilities are basic, with toilets, firewood and horse water available. You will need to bring your own drinking water. There will be a canteen operating on Saturday evening and Sunday. Remember to bring plenty of warm clothes because the ride is in the mountains and the weather will still be cool to cold.

As "Brookvale" is a working sheep and cattle property, we request that dogs not be brought to the ride. Any that are brought onto the property must be kept tied up or on a lead at all times.

The 80km ride comprises two 40km loops. The first leg, which follows the course introduced in 2004, is testing and includes several substantial climbs. It travels through national park and private property. The second leg, which is also the course for the training ride, is a variation of previous courses. It includes flat, undulating and some moderately hilly country but has only one significant hill. The social ride course is gently undulating. The entire course is on unsealed roads and fire trails, with no bitumen. The 80km ride will start at 5am (a little later if it's wet), the trainer at 7am and the social ride around 10am. WICEN will provide radio communication.

Prenominations are required for the 80 and 40km rides, and should be made to the ride secretary, Melanie O'Flynn by email (sheils@netspeed.com.au) or phone (62888195) by Friday 28 August. A \$5 late fee will apply to entries after that date. When prenominating, would you please tell us whether you are bringing a truck or large float, so we can set aside enough space in the 'big rig' area near the front of the campsite. If you find after prenominating that you are unable to come, would you please let us know so that we have as accurate an estimate of numbers as possible.

"Brookvale" is on Mountain Creek Road, which is off Uriarra Road and about 30 minutes from Canberra. The campsite is about 1.5km off Mountain Creek Road, along a track through the property. As traffic associated with the world mountain bike championships at Stromlo Forest Park may cause delays on part of Uriarra Road, you may wish to take the alternative route to the ride base via Cotter. Note however that the Cotter route is less suitable for trucks and floats as it includes more steep and winding sections. Both routes will be signposted from Cotter Road, Canberra. Detailed directions to the ride base from various approaches to Canberra will be provided on the NSWERA website, under Ride Bases, and on the ACTERA website (www.actera.org.au).

This challenging ride is an excellent opportunity to sharpen up your horse for the Quilty or for the Snowy Zone Championships in early October, or simply to enjoy the friendly atmosphere and bush scenery the Brookvale Ride offers. The ride is now affiliated with the Snowy Zone and counts towards the Zone pointscore. We look forward to seeing you at Brookvale in September.

Please check the ACTERA website for further details about the ride and any updates on ride arrangements. If you need any further information please contact Melanie (contact details above).

Woodstock

80km40km20km
24-25 October 2009.

Lachlan Endurance Riders Club once again welcomes you to the Woodstock Showground for its annual rides. This year we are conducting 40 and 20km rides on Saturday afternoon as well as the usual 80km, 40 and 20 on Sunday, giving riders the option to ride in one event, bring a second horse or try two events on the same horse.

Woodstock is approx 25km east of Cowra and 85km west of Bathurst, just 4 km off the Mid Western Hwy. Signs will be out.

The showground has excellent facilities, flushing toilets and showers, town water and plenty of room and shade. A hot meal of lamb on a spit, veges, salad and dessert will be provided at a reasonable cost by our friends from the Royal Hotel, Woodstock.

The course will be similar to previous years, a mixture of private property, stock routes and some gravel road. The track is mostly undulating and very achievable for novice horses. The country in this area is usually at its best at this time of year and hopefully there will be green grass in abundance!

More details will be included in the next newsletter, or check the link on the NSWERA website ride calendar for updates. For further enquiries and prenomination please email or call us.

KIWARRAK CUP

Sunday 11th October 2009

The distance of the Kiwarrak Cup has changed. It is not an elevator but a standard 80km ride with the usual 40km trainer and 20km social rides.

The base will be the same as usual at 215 Careys Rd Hillville (near Taree). There is a ton of camping room in a big shady paddock with plenty of horse water supplied. Firewood will be available (providing fires are permitted). Camping is available from Friday to Monday

The ride will be run over dirt roads and well maintained, wide fire trails. The terrain is undulating with lots of open going and there is plenty of water on the track. In some places the track may be rocky but the first 5 k is totally flat.

The canteen will be open from Saturday afternoon until Sunday afternoon with a delicious main meal and mouth watering wraps on the menu to choose from.

Travelling from the south (Sydney), stay on the Pacific Highway until the first Taree exit. Or, if you don't mind travelling on a narrow dirt road, you can turn left off the Pacific Highway at Possum Brush Rd (about 20kms south of Taree) which will take you directly to Careys Rd. Travelling from the north (Kempsey), stay on the Pacific Highway until the second Taree exit. The base will be sign posted from the Pacific Highway and the Bucketts Way.

Entry fees are: 80km senior \$75 junior \$50: 40km \$40: 20km \$20 (excl day membership).

Any T.P.R help on the week-end would be appreciated.

If you haven't been to a Kiwarrak ride then you should get into gear and come to a great, warm, friendly, grass roots ride on the 10th and 11th of October. We are less than four hours drive from Sydney on the new and constantly improving Pacific Highway.

For more information or to pre-nom please contact the secretary Abby McMurrich on (02) 6550 6337 or email abby.mcmurrich@bluemaxx.com.au

The 13 Month Rule

Please remember that if your horse does not successfully complete an endurance ride for 13 months, it's status reverts to Novice and you must complete your next ride in novice time. Should you complete a ride outside the novice times— you face disqualification and your points and mileage disallowed.

Remember—ignorance of this rule is no excuse.

Coolamon Endurance Ride 2009

Sunday 26 July 2009.

The Coolamon Endurance Riding Association will be holding the eleventh annual ride on Sunday 26th July 2009.

The Coolamon Ride is one of the easiest rides in the state as it is mainly flat & is great for novice horses. Excellent amenities are available at the Coolamon Showground with flushing toilets, hot showers & approximately 60 holding yards. The canteen run by the Leary family will again be operating with a delicious selection of hot food & the usual snacks.

This year will see the inaugural Ken Jubb Trophy awarded. The trophy will carry the names of the winning riders & horses for the next ten years. Ken was a very highly respected vet who vetted at the Coolamon Ride since its inception. It will be our pleasure to honour him with this trophy.

Coolamon is situated 40ks north of Wagga Wagga, with sealed road access right to the showground. Please note that an agreement has been reached with the Trotting Club & no trotting trials will be held at the showground during the ride.

The parks & gardens in Coolamon's main street enhance the heritage nature of the town & are a pleasure to see. The town has many amenities including a motel, two hotels, a sporting club, Chinese Restaurant & two take away food outlets.

The committee invites you to participate in the 2009 Coolamon Ride & we are sure it will be another great experience. As always, proceeds from the ride are used to assist local charities.

NSW 160km State Championships

Hosted by Batemans Bay Endurance Riding Club

Saturday 18th July 2009

The Batemans Bay Endurance Riding Club is pleased to announce that they will be hosting the State Championships in 2009

The venue will be the same as used for our 2008 ride on Austin's Road at Benandarah. There will be signs turning you off the highway just south of the East Lynne store. The venue is suitable for all rigs and we are able to cope with heavy rain.

The course will be challenging, scenic, excellent underfoot, safe, well marked, bitumen free and will consist of a variety of tracks and forestry roads.

The date chosen will allow those preparing, or aiming to qualify for the Quilty, ample time for recovery. For the "Big Three" the ride is conveniently three weeks before Shahzada. There is also a very full calendar of rides in the first half of 2009 to enable horses and riders to achieve the required fitness.

The ride venue leads down to the Clyde River. Whilst it will be the middle of July our weather can be quite pleasant but of course, as we all know, be prepared for any contingency.

The entry fee for the 160km will be \$250.00.

Vetting will be gate into hold with five legs with generous hold times.

There will be an 80km event but no trainer. More entry details early in 2009.

As in the past we will be endeavouring to provide quality prizes and this is an early opportunity for sponsors of our State Ride to contact us!

Training of FEI officials (course planned for first half 2009)

The FEI officials course is planned for May this year.

Policy and Procedures Manual – Tom Perkins

Tom Perkins (**TP**) explained what the Manual will eventually look like. Will put everything together into an indexed area which will make it more user friendly.

Moved on to the Portfolio Descriptions (**PDs**) and responsibilities for each portfolio holder. . Sample PD's and a blank form for committee to do a rough draft of their own positions to be sent out.

TP gave a run down on the Google maps and how to operate them. TP has included sponsors, routes and road conditions. General agreement the maps presentation is terrific and of value to the membership.

North of the State presentation – Tom Perkins

TP gave a follow up presentation which flows on from the AGM report. It's Tom's personal research. Has a map from the Bureau of Statistics of the population of NSW. Feels that it is becoming increasingly difficult to run a single ride calendar. Looking at building up the sport from Kundabung to the NRZ.

TP's presentation over, general discussion took place. All rides in the area should be dual affiliated. Tom McCormack suggests that TP prepare a presentation for the next AERA meeting.

Ride organisers Forum.

Verbal report given by Tom McCormack. It appears the Forum likes pre nominations and would like them to continue on a voluntary basis.

General discussion on the recommendations to the SMC made at the Forum.

Gay Bonham suggested that NSW ERA buy two new scanners. Obtain a quote for additional scanners

and scales. A spare should be held with the Secretariat.

Discussion on arrows. Neil to get a quote for arrows A4 size. Agreement the whole arrow and the leg number should be reflective.

MOVED Gay Bonham, Belinda Hopley
THAT NSW ERA sponsor the Victorian Quilty up to an amount of \$500.

Carried Unanimous
Distribution of free newsletters

Agreement that vets should receive a copy of the newsletter. Gay to give the names of vets to Jacky Barlow so that she can add them to the list. Discussion on AERA members receiving hard copies. Suggest the AERA delegates and various others should get their copies off the web. Neil to take this proposal to the next AERA meeting.

Neil Clarkson – President, AERA

Welcome to the New Year. Welcome to Gary Tweedie and welcome Mark Cameron to the table as Zone 5 delegate. Membership is going well this year. Up to 380 with over 30 new members.

Newsletter in the post. Web has been updated with a few bits and pieces still to be added.

AERA Meeting report given by Neil.

A constructive and pleasant AERA meeting. Highlights included:
Total membership for Australia - 1868.

NSW had 280 volunteer workers. This number may be incorrect

The \$20,000 that was owed by the 2005 Tasmanian Quilty committee has finally been passed on to the Tasmanian SMC to be used for equipment. 2011 SA Quilty is to be held on the last weekend in September.

Pat Slater Cup – ran out of cups. NSWERA and QERA were to think about sponsoring the Cup - \$400 each. It is awarded to a Top 10 horse but only out of middleweights and heavyweights. Cups cost around \$800 each. This award is judged by some of the piers of the sport, for example, Ron and Val Males.

Motions to be Re-tabled for Second Vote – Rule Changes

For a full list of the motions presented at the AERA meeting on 28 February 2009, please see the AERA meeting report starting on page 50 of the May/June NSW Newsletter.

Neil continued on with the AERA report.

At the next AERA meeting, there will be a working sample of the new web based data base.

Best conditioned – SA did a trial – coming up at the next AERA meeting.

Discussion Item – Invasive treatment forms for day membership vet outs.

EWS – QERA reviewed the EWS.

QERA item - Out of time Disqualification. Question as to whether there should be a rule to take care of this. Agreement if it vets out, it vets out rather than a disqualification.

AERA is looking at increasing the affiliation fees by \$10 for each State member. Last increase was in 2002. Roy is to produce some figures to justify this. Adults would be \$31 and \$22 junior. NSW notified the AERA that NSW needed some figures to take to the members.

AERA AGM – Blutchter \$2,540 at \$1.10 each.

AERA Executive. Tom McCormack as Treasurer, Matthew Krahnen as Vice President. Kerry Spratt as Vice President. Secretary and President remain as previously. Public Officer is Kerry.

National Coach – Glenda Armitage nominated for drug testing procedure.

Guidelines for vets was presented.

Tom Perkins had sat in on both the International committee meeting and the AERA meeting.

Jackie Barlow - Secretariat/Membership services, Secretariat communications

Tabled a letter from a Namibia rider. Seeking a horse to ride in exchange for a horse at the African championship.

Registration fees – we collect this money for the AERA. The Secretariat has received complaints from some members who feel that they shouldn't have to pay horse registration fees. General discussion on whether to let a person ride without a sticker in the book. Some Chief Stewards let them ride and some don't. The AERA rule is that no rego sticker in the book, no 80 klm ride. Chief Stewards do not have the discretion to decide on this.

Merchandise. At the AGM a few people said they would like the merchandise to be in where the function is happening. Maybe next year we could have this in where the dinner is.

Teams Event. This has caused a few problems, now have rides that are different distances, different events etc. Needs to be the same event and therefore by definition is the same distance. This would include elevator rides.

Ribbons for the AGM. There were 208 ribbons written out this year and writing the names on the ribbons took hours. The ribbons cost \$7.50 each. Discussion on leaving the names off next year. Jacky to come back with further suggestions.

Membership: New Members names were read out.

Kerry Spratt – Secretary , AERA, International Sport and Rec almost complete. Money to come soon.

Tom McCormack – Treasurer, AERA delegate For Profit and Loss statement and further expenses statement see elsewhere in this newsletter.

Wendy Jones – Ride Calendar

(Continued on page 35)

Wendy outlined the current position concerning the cancellation of the Watagan Mountains ride. Date was 26 April. This has been discussed on the Internet by committee members prior to this meeting. Gundagai is on that weekend and there is also a dual affiliated ride with New Italy.

Wendy said that the majority committee vote was no to the Cedar Ridge proposal to both the Saturday and the Sunday rides. The committee also discussed allowing the running of a set of rides on one day on that weekend. The committee decided no to this idea also. Pros and cons put up by the SMC by the members present. Discussion on Tooraweenah and Oberon running on the same day. Could be reflected in Tooraweenah's numbers. The proposal of a one day Oberon ride was put to the vote with the majority voting against the proposal.

Various ride calendar changes discussed. These are reflected in the ride calendar in the centre of this newsletter.

Submission for State Ride for 2010 was received from Gulgong committee. Date – Easter long weekend in 2010. This would be 1st April. Since no cut off date for applications was put in the newsletter notice, the SMC agreed to put another notice into the newsletter calling for tenders to run this ride with the cut off date being 30 June 2009.

Gay Bonham - Insurance

Insurance - All current ride bookings have been confirmed.

There have been no claims from members this year. Still waiting for the outcome of two claims.

Vet Liaison - Have been able to secure the services of Darien Feary for at least four rides this year. She will be taking vet students with her.

Emma Osman from Singleton would like to be reinstated on our Accredited Vet List and will be able to do probably six rides this year. She is booked for Putty.

It seems some ride committees are still leaving organizing vets until the last minute.

I sent an email to all ride secretaries and asked if they had vets in their area who would like to become accredited. To date we have four takers. Kym Hagon is obtaining the seminar notes from David Brown and Steve Roberts and will probably arrange to do two individually and two together on the South Coast.

Manilla Quilty - Quilty Committee met last Sunday 7th March. Major sponsorship is slow. Many sponsorship requests have not been replied to as yet. Minutes will be available by the end of next week. Would like to get Tom McCormack as Chief Steward and Neil Clarkson as Assistant Chief Steward and AERA Delegate to a meeting prior to the ride.

Gave a report on the Tamworth Equine Centre opening – no one wanted the small brochures but

everyone wanted the 'starting out notes'. Ran the slide show and it was a hit. Summary of the ride calendar handed out also. Good contacts were made.

Annette Bailey - Promotions

Canberra EquineX Expo - Have booked a trade stall site at the Canberra EquineX Expo to be held at Exhibition Park, Canberra on 16th & 17th May 2009. The cost of the trade stall to NSWERA is \$200 plus \$80 for a furniture pack. Members of the ACTERA are helping me "man" the exhibition.

Data Base Training Day – The Snowy Zone data base training day held on 7th March 2009 was a huge success. 19 people attended. Great job done by Jo McMahon.

Need to encourage people to participate in 40km rides with incentive to progress to 80km rides and beyond.

It was also interesting to have feedback regarding the FEI affect on our sport with the ride at Oberon running in conjunction with an AERA event. There was an undercurrent of disappointment and confusion. The problem was the lack of flexibility on behalf of FEI officials to comprise, particularly in the assumption that the FEI took precedent over the AERA event. This event and the one at Tumbarumba should be used as litmus tests to formulate a policy that allows the two systems to work together without comprising all that the AERA has worked for over the years.

Ride Survey Report – Well received at Ride Organisers' forum.

Ride Survey report. Cedar Ridge – 14 responses. Gay would like to see the feedback from the riders. The responses so far are very interesting – most criticism is very constructive. Agreement Annette can send the results off to the various ride committees without obtaining any further SMC permission or input.

Jeff Bonham – Horse Welfare – report given by Gary Tweedie

One chief steward's report from John Howe on Cedar Ridge. Head vet Steve Roberts. No problems. Three invasive treatment reports received and report on the provisional chief steward Lesley Freeman.

Zone Reports,

Patricia Waddell - There hasn't been a zone meeting, therefore nothing to report.

Belinda Hopley – Increased activity in the Zone. Six rides held – quite financial. Zone champs went well. The Rock has joined the Zone. Tumbarumba review given. Horse Expo on 9th August. Office bearers are the same as last year. Changing Zone boundaries to be discussed further. Show of hands for four zones rather than three. Canberra Expo – has offers of assistance. The Zone made a donation

(Continued on page 36)

to the Victorian Fire Appeal.

Marita Rifai - Zone One delegate

Last meeting was on 10th March, 2009. Everything is organised for the first ride for 2009 being the Q60 trainer which includes a 20km social ride and a 5km introductory ride. Working on the 100km elevator in May. This will be a VGIH ride with compulsory pre nominations.

Charlie Gauci, Sue Todd and Tony Warren would like to attend the Sport & Rec. course at Blacktown on 27th April, 2009. They also attended the Ride Organisers Forum in Bathurst on 7th March, 2009.

Zone One has suggested that the NSW SMC consider time slips printed up in triplicate.

Zone One will donate a rug for the State ride.

Mention made of the AERA Oberon ride and the

riding time of 8 hours. Felt that 8 hours was too short a time. It was noted that the FEI ride had no extension of time. The time was only extended in the AERA ride and this was done on the afternoon. Agreement it is up to the Chief Steward as to whether or not an extension of time is granted. Agreement to wait on the ride survey forms to discuss the matter further and decide where to go from there.

Mark Cameron Zone 5 delegate

Eurobodalla is to have Zone champs. Great to have this. Wingello – Tom McCormack going to be the chief steward. State Champs at Batemans Bay. Confident the ride will run smoothly.

There being no further business the meeting closed at 12.05 am

NSW Committee meeting report 3rd April 2009

Present: Neil Clarkson, Marita Rifai, Tom McCormack, Tom Perkins, Gary Tweedie, Annette Bailey, Jeff Bonham,

Apologies. Kerry Spratt, Gay Bonham, Patricia Waddell, Wendy Jones, Jacky Barlow, Mark Cameron, Belinda Hopley, Glenda Edwards

In attendance: Helen Rich (minutes).

Business Arising from Previous Minutes and Action sheet

Lucky Draw for \$200 fuel voucher between the Chief Stewards and the TPRs. Won by Neil Clarkson.

Hats won by Lindsay Knight and Alana McMahon. Five hats will be drawn in the next quarter.

Data Training Day. AB suggests that Jo McMahon run these courses in each of the zones. Would like the Zone Liaison officer to check with each Zone to see if they would like a course run.

Drug Testing Report - All results are negative. A Drug Testing course was run at the Equine centre. Participants included: Jeff Bonham, April Bonham, Belinda Hopley, Denise Trollope.

Canowindra Quilty - donation from NSW ERA was \$6,000 but this amount was returned to NSW ERA and used to purchase appropriate equipment.

Gay has had interest shown by some Vets who would like to become accredited.

Scales. Jeff ordered two sets. Shaun Pollard and Robyn Parnell have almost finished their CS accreditation.

MOVED THAT Tom McCormack, Jeff Bonham
Jeff Bonham be authorised to purchase 5 or 10 CS vests (depending on value for money), 40 thermometers, four chief stewards cases, six giving sets and six

catheters,

Carried Unanimous

Quote for arrows. Neil advised that these could be \$3 to \$5 an arrow. Ongoing. Noted that some clubs have their own arrows.

State Ride – Tender Notice - There is a notice in the May June Newsletter.

Buckles are purchased by NSW ERA and sold to the State Ride organiser at cost. Expressions of Interest (**EOI**) forms are available on the Web or by contacting the State Secretary. Deadline for EOI is 30th June.

MOVED THAT Tom McCormack, Jeff Bonham
Neil print five Invoice Books for newsletter advertising, flares etc.

Carried Unanimous

Expression of Interest: Template for State Championship and Tom Quilty teams

Tom McCormack presented a draft EOI for the running of a State Ride and is working on an EOI for nominations from riders for inclusion in any Quilty team.

View expressed that people who do well at the State Ride should be asked to represent the State at the Quilty. Quilty team members may receive a \$100 fuel voucher, cap, polo shirt, fleecy jacket or vest. Advise Riders that they must be prepared to ride in their NSW uniform. Enter two teams of four, each team to consist of two different riding divisions in each team. Close submissions on 1st August.

Training of FEI officials (course planned for 17-19 May 2009 at Randwick)

Neil, Tom McCormack and Jeff are planning on attending. Zones are to be asked.

Committee Reports

Neil Clarkson – President, AERA

Been very busy. Was Chief Steward at Kirrawak, been to Queensland strapping. Discussion on the EA agreement as to whether it is a private document or a public document. Tom P said he felt each NSW committee member should receive a copy of the AERA minutes when they come out, unabridged. Shahzada and St Albans coming up. Quoted \$1500 for a traffic management committee. Newsletter is underway. Website has been updated.

Tom Perkins Snr – Vice President

Manual – The first part is the formal part. Middle part is the State SMC, the portfolios, procedures etc.

NRZ – taken this to work on again. Zones and boundaries is a completely separate issue and this would not work. Taken all references to Zones out of the presentation and concentrated on developing the north of the State in a pro active manner.

Jean Stanfield would like to dual affiliate the Eden Creek ride, same date as Mudgee – 17 May 2009. Running combinations of 160/80/40.

MOVED Tom McCormack, Jeff Bonham

THAT NSW ERA dual affiliate the Eden Creek rides on 4 and 5 July and 17 May, 2009.

Carried Unanimous

Jackie Barlow - Secretariat/Membership services, Secretariat communications

100 new books with the new body score section in place. New Members names were read out. Q60 and Canberra. No list of volunteers has been received for either of these rides.

Discussion on FEI rides and points for heavyweight riders. Agreement to count the points in the NSW State point score. Heavyweight and middleweight points and distance are awarded nationally. Lightweights do not count as lightweights do not exist, they weighted up to Middleweight. For juniors' points to be counted there has to be an AERA ride at the same event as the FEI ride.

Kerry Spratt – Secretary , AERA, International

Moved Tom Perkins, Tom McCormack
That upon receipt, the AERA and International Committee minutes are to be circulated to NSW ERA committee members. Such documents are to be the actual minutes and not the edited version that goes into the Newsletter.

Carried Unanimous

Letter received concerning two aspects of the Oberon ride. AB gave a general report on the ride. Tom McCormack gave his report. Agreement to thank the letter writer for her input, advise the matter has been discussed and dealt with. The Chief Steward's report has not yet been received.

Tom McCormack – Treasurer, AERA delegate

At the NSW ERA AGM, the Club billed the Association for 115 meals. We only sold tickets for 99 meals. We are out of pocket some \$700. Suggestion that we go back to the "pay in advance" system that was used at Bathurst.

Tom Mc has all the paperwork from CBA for using the Internet for banking. Agreement Tom will formalise the fees and email these to the committee for approval.

Moved Tom McCormack, Annette Bailey
That NSW establish a CBA Evolve bank account on line payment facility

Carried Unanimous

Moved Tom McCormack, Tom Perkins
That Neil Clarkson become a signatory to the NSW ERA bank account.

Carried Unanimous

For an up to date Profit & Loss Statement, see elsewhere in this Newsletter.

Wendy Jones – Ride Calendar

Neil gave the report. Freemantle have taken their 20 klm social ride out.

Cedar Ridge – Anzac weekend. have now reapplied for the Gundagai weekend. One 80/40 klm ride. Marita said Zone one would support the ride. Gary said the south coast riders would support Cedar Ridge. Neil said there were about 15 riders who went to Tooraweenah from Bathurst and the Sydney area last year. The distance between Tooraweenah and Cedar Ridge is about 352 klm. Jeff mentioned the three months booking period. On a show of hands – Oberon got the nod to go ahead.

Gay Bonham - Insurance

Insurance - I have not been notified of any claims since the last meeting.

If any ride details change and committee members are aware of these changes, could that person please advise me so I can keep our list of approved rides with AON up to date? Over the last couple of months quite a few rides have changed either the structure or the date of their ride and I have been unaware of this. When the committees then try to get their Certificates of Currency it causes many problems as the details held by AON are different to what the ride committees are applying for.

Vets - There are currently five vets seeking accreditation. This is being organized over the next month or so.

Lizzy Verity has confirmed that Kym Hagon will be 2 IC at the Tominbuk Quilty in September this year in accordance with the Quilty Guidelines and vetting protocol as he has been appointed Head Vet for the Quilty in Manilla in 2010. It would therefore be appropriate for Kym to be invited to be the NSW ERA representative vet at the Quilty for 2009.

Application for inclusion onto the Accredited Vet List received from Nadine Allan of Gilgandra. Asks the SMC to confirm Nadine's accreditation so she can be Head Vet at Tooraweenah on the 17th April this year. She complies with the requirements for inclusion and by then will have completed the seminar process with Kym Hagon.

Ride Administration

I would like an agenda item for the May meeting to

discuss what level of assistance the SMC would like to offer ride committees to help them arrange vets and chief stewards for their rides. This would follow on from the discussions at the ride organizers forum. Oberon has a number of vets seeking accreditation.

Moved Tom McCormack, Jeff Bonham

That Kym Hagon be appointed as the NSW vet at the 2009 Victorian Quilty

Carried Unanimous

Annette Bailey - Promotions

Have updated the Getting Started Notes and forwarded this to Neil for proofing and approval.

Need at least 150 copies to send out to clubs, etc. with the DVDs.

Ride Survey is starting to gain stronger support.

Have sent out reports to Canberra and two to Cedar Ridge. Need to have the Ride Survey form printed again in the Newsletter

Have drafted for consideration, two Promotional Campaigns. only concepts at this stage and require a lot more development and discussion. It would be envisaged that these would commence from 1st January 2010, if adopted.

CAMPAIGN 1 - Aim to attract new members to attempt 40 klm rides and then 80 klm rides. Consider a form of introductory membership.

CAMPAIGN 2 – Aim to encourage riders to get off the 'training ride merry-go-around' and progress to an 80 klm ride. Special buckle to be struck using the NSW ERA Logo and appropriate wording.

Jeff Bonham – Horse Welfare – report given by Gary Tweedie

Cedar Ridge – 15th February. Neil CS. Gay Bonham to ring Brian Dellow and suggest that Kym Hagon ring him and discuss his accreditation.

The ride sticker was out of date for horse. The rule is - No sticker no ride. Jeff to follow up the lack of a sticker in the logbook.

April Bonham – Q60 trainer. 111 horses. One horse fell. Rider ok. Recommendation that day members receive more information about the running of a ride. Riders were not aware that they needed to vet their horses.

Gay Bonham has offered to purchase a replica cup for the State Ride. Committee agreement that she can do this and then seek reimbursement.

Fiona Meller – Course Preservation

Neil has a report on Watagan. This was emailed previously to the committee. Neil will email this again to the committee.

Gary Tweedie – Horse Welfare

Gary gave the Zone 5 meeting report. Zone Champs on 3 May. Wingello coming up and is going well. State Ride. is proceeding well. Talk about the South Coast having the AGM. Jarvis Bay or Batemans Bay are current suggestions. Lined up some people to do a TPR course and another three to do a Chief Steward's course.

Jeff is going to organise a TPR school at Bendemeer. Neil is going to run this. Maybe Graeme Gilbertson will run one in Zone One.

Marita Rifai - Zone One delegate

We haven't had a meeting since our last NSW ERA meeting so there isn't a lot to report. Our next meeting will be on Tuesday, 7th April.

We had a very successful training ride on 15th March, 2009. There were 111 riders with 56 trainers, 48 social and 7 riders in the introductory 5 km ride.

We are busy organising the 100km ride in May which will be VGIH. We feel this will give riders another chance to practice the VGIH system before the 160km ride at St. Albans in June.

There being no further business the meeting closed at 12.05 am

Is this the way things are heading? Goosenecks with all the mod cons and now horses with their own individual portable stables?

RIDE FLARES NOW AVAILABLE

The NSW SMC has available for ride committees 12 hour flares (glow sticks) at \$1.00 each.

There is a supply of orange and green flares available at cost price.

Just contact Jeff Bonham on .6785 2055.

Ride organisers are encouraged to use these flares as an alternative to flashing lights on danger spots.

Australian Endurance Squad & FEI Updates

2009 transformed into a busy year for Squadees with invitations coming in from South Africa and most recently New Zealand. This comes as well as the selection and preparation for the Young Riders World Championships to be held in Babolna Hungary 4-6 September

Listed below are the short listed horse and rider combinations for the Young Riders World Championships

Bridgette Nottle	Electra EPPB Murdoch
Angela Hawks	Dakila Pascalle
Alexandra Toft	Bremervale Justice
Sasha Laws King	Castlebar Moonlight
Blake Freeman	Cedar Ridge Desert Express
Allix Jones	HS Saboteur (leased horse)
Reserve horses	Zalman, Malricia Bern, Browtin Advocate

Chef d Equippe Dr Trish Mackay Annetts

Team Veterinarian Dr Robyn Mather.

Entries in principle will be lodged July 1.

Team South Africa leaves for Johannesburg then onto Fauresmith on June 26, horses are being supplied by the South African Federation which also provide excellent accommodation at a game lodge for the Team, which consists of:

Jennifer Gilbertson
Gayle Homes,
Jil Bourton
Mette Sutton
Tami Parnell
Clare Fleming

Team Manager is Graeme Gilbertson, Media Manager/Photographer is Robyn Parnell.

This is a Tri Nations event with New Zealand being hosted also. It is also the South African Championships with other African teams competing as well. The event is over 3 days, 80km /day and is a national ride. This will be a very exciting ride to be a part of, I am sure the Squadees will all have a great experience.

We have also received an invitation from New Zealand for the return Tran Tasman event. This was last hosted at Nanango in 2007 when the Australian Team was successful. The date for this return event is November 22 , near Wanganui, in the North Island , more details as they become available and expressions of interest will be called for soon.

Young Horse Qualifiers

There are currently 30 young horses registered and so far 16 have qualified to enter in the final. The majority of these young horses are from NSW and Victoria and with the next event scheduled for 21st June at Rosedale it is expected to have a good entry.

The final will be at Burrowye on December 4-6 and will be a CEI 2* 120km.

SHAHZADA 400 km Endurance Ride

"The Ride of Your Life"

To Finish is To Win

.....check out the Shahzada website.

Endurance riders are invited to the historic village of St Albans, just north west of Sydney, for the 29th 400km Shahzada marathon endurance ride from August 17 – 21, 2009, a week earlier than normal to fit in with those competing in the NSW State Champs in July and the Quilty in Victoria in September. Camping is available from 12/8 at the ride base as well as accommodation at many local venues

The marathon event is run over five days on local roads and tracks – McKechnies, Woomera Path, Shepherds Gully, Johnny's Hill, The Steps and Prestons – a great deal of work has been done on the course over the last few years and, under the guidance of Brad Jones this year, we will be announcing track clearing days on the NSW Endurance Riders website and Aussie Endurance....if you can come and help, please contact Brad. These improved tracks with the elimination of many tarred road verges and the wonderful help and advice from the veterinary panel during the ride headed up by Kym Hagon over the last few years, has established a very good completion rate – everyone who completes receives a highly coveted Shahzada buckle.

In addition to the 400km event – "the ride of your life", there will be a 120 km Training Ride over three days (experience the passion and wonderful riding tracks of the Macdonald Valley without the pressure) and an 80km ride on Tuesday and Thursday. Come for the fun and the challenge - be part of the excitement – apart from the riding, the social committee will ensure that it is a week to remember.

Enquiries: Sue Todd (02) 6379 7218 or email suetodd11@bigpond.com Additional Shahzada information is available on www.shahzadareults.org. where you can see daily updates during the week of the ride.

NEWSFLASH.....UPDATE SHAHZADA 2009

Shahzada is close and with the State Championships so soon it is hard to focus on plans for the third week in August but listen up!!!!!!

The National Parks have gone all out with clearing tracks and have made the Eight Mile and the track leading in to The Steps from the Transmission Road beautiful dirt roads and with two track clearing Sundays on 26th July and 2nd

August (please contact Brad Jones if you can help), we are set for some beautiful riding. Having ridden the 80km track at the recent St Albans ride (best ride all year), I can vouch for Jacks, Woomera and McKechnie's (just a bit more marking needed here which we will handle the week before the ride while we are putting out water - lots more tubs so we only have to fill once).

All very exciting – apparently, I have twice as many campsite bookings as Ross has entries so get those entries in asap and make Ross's job easier.

Remember Shahzada is 17th to 21st August with the trainer from Tuesday, 18th to Thursday, 20th and the 80km rides are on Tuesday, 18th and Thursday, 20th August – go on the website for all the info www.shahzadareults.org and if you

have any questions call me, Sue Todd on 02 6379 7218 or sue-todd11@bigpond.com (please leave a landline number for return calls) and for any questions on entries please contact Ross on 02 9456 6301 or email on rossmudie@alwaysonline.net.au

Looking forward to seeing everyone at St Albans and if you are coming to strap or ride and have some spare time, we need help with everything.

Harden Endurance Ride 4th Oct 2009

Harden Endurance Committee are looking forward to hosting their annual ride this year on the October long weekend,

The ride is moving back to the Harden showground this year- this will be a nice change, with flushing toilets, showers & all amenities close at hand.

This year harden will incorporate the snowy zone championship 160km this will be especially beneficial for those wanting to qualify for the 2010 quilty.

There will also be an 80km, 40km & 20km social ride.

The ride itself will be mainly along country lanes and through paddocks; it will travel over similar country to previous rides, the scenery in Harden in October as many will know is spectacular.

The social ride will be on Saturday start time 1 or 2pm (TBA)

The 160km will start @ midnight Saturday, with the 80km starting at 6am.

Vetting from 12pm Saturday.

The canteen will be run all weekend & a meal will be available Saturday night.

Cost : 20km - \$20

40km - \$40

80km Junior \$60 Snr \$80

160km TBA

Pre- noms would be appreciated- please indicate if you would like a meal on Saturday night also.

Riders discover the beautiful Putty Valley

By Kathy McKenzie

The word is now out! The Putty Valley is the Hunters' best kept secret! This was the view of the riders in the inaugural Putty Valley Endurance Ride held on 21 June. The small settlement of Putty was transformed on the weekend 21-22 June 2009 as horses, floats, riders, and supporters took over the land surrounding the Putty Hall.

The Putty Valley is only a two hour drive from Sydney and Newcastle, but it is just under 100km to the nearest towns of Windsor and Singleton. The dot on the map that says Putty represents a community hall, a fire shed, a house and about thirty mail boxes. The area of the freehold land is small in comparison to the surrounding Wollemi and Yengo National Parks and the State Forests.

Over 120 riders took part in either the 20km social ride, 40km training ride, or the 80km endurance ride.

Riders came from as far away as Canberra, Wauchope, Bathurst, Mudgee, Uralla and Dubai with the youngest rider, aged seven, competing in the 80km Junior Division. A horse dealer from Dubai was scrutinising the horses as they received their final vet check before offering to buy them.

Tara Brown, from Grose Wold, near Windsor, rode Jack the Ripper to the finish of the 80km event first lightweight with a time of 6 hours 13 minutes. 'I liked the ride,' said Tara. 'It was a challenging course and

mckenzie.kathy@bigpond.com

you didn't get bored. The horse enjoyed it too.'

Brad Dillon and Carol Major, both riding middleweight, were equal first with a time of 6 hours 16 minutes. Con Bouzianis was the first heavyweight to finish two minutes later at the same time as Alex Jones, the first Junior.

Sixteen year old Allix from Nelson Bay is one of six Australians selected to compete in the Endurance Riding World Championship in Hungary in September, where she will lease a horse for the 120km event.

'This was the best ride ever,' said Alex. 'It had a bit of everything in it, hills and flat paddocks. The whole event has been really well organized. Everyone has been nice and there are so many volunteers.'

In the training ride, Elaine Kirby from Balmain in Sydney was thrilled with her horse Excessabel who registered a heart rate of just 30 after being the first trainee through the vet check.

After six years of not riding Elaine resigned from a high powered job in Sydney and for the last six months has concentrated on training for endurance rides. Elaine drove to Glenworth Valley, Peats Ridge, where Excessabel is on agistment, three times a week for a four hour ride one day and a couple of two hour rides. Her husband, who is unfortunately allergic to horses, is an enthusiastic supporter of her chosen sport. They hired a four wheel drive and a horse float for the event and bought a tent for the overnight stay.

All riders who completed the courses were awarded with a buckle for the 80km endurance ride, a medallion for 40km training course and a certificate for 20km social ride.

The only incident was when a rider fell from her horse on the first leg. She was returned to base by car with her horse in the rescue float, and she was treated for minor injuries by a registered nurse.

The success of the event was attributed to organizers Charlie and Lee-Anne Gauci, the 45 volunteers on checkpoints, and the local community who gave access to their properties, the use of their community hall and who catered to the needs of hungry riders and strappers.

Locals are hoping this will become an annual event and their catering, hospitality, and toilet facilities won the praise of all the visitors.

All money raised goes towards the upkeep of the Hall and the local Bushfire Brigade.

NSWERA RIDE SURVEY

The purpose of this Ride Survey is to allow ride participants to make constructive comment about a ride they attend. It will mean Ride Committees can have positive feedback about their rides and give them information that may help to make their events even better.

The information will be collated, summarized and passed onto the relevant ride committee. **Respondents' names will NOT be passed on with this information and will be kept in strictest confidence.**

RESULTS MUST BE IN BY THE MONDAY, 21 DAYS AFTER THE RIDE. ANY SURVEYS RECEIVED AFTER THAT DATE WILL BE DISREGARDED.

Ride Bases Map

The NSWERA Web page now has a Google map with 'Find it' features that will show the distribution of ride bases through NSW and provide a map with directions from your home to the ride base.

To access the map just go to **www.nswera.asn.au**. When you get there just click on the "NSW Ride Base Map" towards the top of the screen.

To use the map: -

- Click on the ride base in the list on the left.
- A text box will pop up near the flag for the ride base.
- Click on get directions 'to here'.
- Enter your hometown in the start address.

Click 'GO' and print off the map and directions.

If you have a navigator in your vehicle the map coordinates are shown in the text box, but a word of caution when using a navigator to go to a map grid reference, navigators are programmed to find the most direct route (as the crow flies), and as you get close to your destination they sometimes want to turn you down a side road or even a forest trail.

Ride organisers

To have a ride base added to the map,

1. Go to Google on the internet.
2. Select 'Maps' from the menu bar at the top.
3. With a map of Australia showing.
4. the curser (a little hand) on the area you're interested in, right click and select 'Center map here'.
5. Slide the up the scale ladder a little.
6. Repeat 4&5 until you have zoomed in on the area.
7. Now select 'Satellite' to see an overhead picture of the area.
8. Put the 'Little Hand' on the gateway to the ride base, right click and select 'Directions from Here'.
9. A green flag will appear at the spot and a 'Get directions' box will appear in the top left corner.
10. If the flag is not quite right, click and drag it.
11. In the 'Get directions' box against flag 'A' will be the map grid reference for the spot chosen, it will look like (-30.294007,147.498579)
12. Jot down that reference with the ride name and email it to me at 'vpe63190@bigpond.net.au'.

To check we have located the marker correctly, or if the ride base has been moved, zoom in on your marker on the Ride Bases Map as described above, switch to Satellite and check the position of the marker. If it is in error follow the procedure above and email me the details.

Also run some tests approaching your ride base from different directions and note any anomalies, see the Shahzada text box for an example.

Regards, Tom Perkins snr 20435

DOWNLOADS AT THE NSWERA WEB SITE

NOTICE

Attention Ride Secretaries

Following a recommendation from the AERA International Committee (**AERA IC**), the AERA has agreed that a \$5.00 affiliation fee should be paid to the AERA IC for each horse entered into a FEI ride. Ride Organisers should add this amount to their ride entry fee.

Australian Endurance Riders Association Inc.

Transfer of Ownership Procedures

It is the responsibility of the purchaser of the horse to notify the State of the change in ownership details. It is important that the correct person be registered as the owner of the horse as this assists with the correct allocation of National and State distance and pointscore awards as well as identifying the persons responsible for the horse when disciplinary actions need to be instituted.

Process for Changing Ownership Details

When a sale of a horse occurs and the horse has had a logbook issued it is the responsibility of the new owner to notify the State of the change of ownership. A transfer of ownership form must be completed and forwarded to the State, together with a cheque for \$11 and the logbook.

Once the transfer of ownership form is received the logbook can be amended with the change in owners and the transfer verified by the Logbook Secretary/Registrar.

Procedure for Recording Change of Ownership

Transfer of ownership forms are to be made readily available to all members, preferably through the State Newsletters or upon application to the Logbook Secretary/Registrar.

Once a logbook, transfer of ownership form and fee are received the Logbook Secretary/Registrar will:

1. Record the ownership transfer into the logbook.
2. Verify the transfer.
3. Return the logbook.
4. Record the ownership transfer into the computer records of the State Division.
5. Keep a copy of the ownership transfer form and forward the original to the AERA Registrar.
6. Forward the \$5 fee to AERA.

RIDE SECRETARIES

If you intend to change your ride details these changes MUST come in the form of a new application for approval by NSW ERA through the proper channels. No ride change requests are to be made direct to the newsletter.

NSW ERA Committee.

NSW ERA Ride Booking Procedures

1. A ride must be booked a minimum of three months prior to the proposed date for the ride. This requirement may only be waived with the consent of the State Management Committee (**SMC**) under exceptional circumstances.
2. Ride Committees must be incorporated with the Department of Fair Trading and a copy of the Certificate of Incorporation forwarded with Booking Form.
3. Entry fees for all sections of the ride must be shown on the Booking Form and advertised in the Newsletter when inserted in the Ride Calendar.
4. Rides being conducted to replace cancelled rides must have permission from the NSW ERA SMC before the ride is advertised ANYWHERE.
5. Existing rides that have run on the same date for consecutive years will have preference for that date over new rides to protect the survival of the existing rides.
6. If a new ride is allocated a date other than as requested, that Ride Committee must change their date in accordance with the Committees decision.
7. A \$10.00 Booking Fee is payable when lodging the Ride Booking Form.
8. A \$50.00 Bond is payable if this is not already held on behalf of the ride Committee. This bond may be used for the next ride by that Committee if all paperwork is in on time.
9. The Ride Booking Form will indicate the Ride Committee's request for their ride to be dual-affiliated with another State.
10. A letter will be forwarded to Ride Committees one month prior to their ride requesting confirmation of the ride's Head Vet and Accredited Chief Steward.

Logbook & Identification Procedures

A horse is a novice for a minimum of 90 days from the date on which it successfully completes its first affiliated endurance ride and may only attempt four rides during this period, ie if a horse successfully completes its first ride on 1st July, it cannot upgrade to endurance status until after 28th September and may only enter four rides during this period. There is no limit on the time it takes to reach endurance status.

Your horse can be a novice for as many months (or years) as you like.

When your horse has successfully completed 240 kms of affiliated endurance (not training) rides, it can be upgraded from novice (blue log book) to endurance (yellow log book) status.

Ensure the brands are clear. If not, have the horse re-branded or microchipped (Refer to rule H5.2(a) - (b)) and H5.3).

Have a vet complete the horse identification form (written description and diagrams) and sign it. Identification and microchipping can be done at most rides, but it is advisable to check with the ride secretary beforehand.

Complete the logbook application form and attach I.D. form, novice horse logbook and the appropriate fee.

Please allow 10 working days from date of posting for return.

It is essential to retain a copy of the I.D. form and perhaps have it laminated for the future.

PLEASE NOTE An Endurance Horse Logbook will not be issued unless a signed Veterinary Identification Form **is** enclosed with the application. The I.D. in the novice log book is NOT acceptable.

If there is anything that you are unsure of, please do not hesitate to phone me.

Newsletter advertising

Deadlines for the newsletter will be the 10th day of every even month, **February, April, June, August, October** and **December** UNLESS otherwise stated.

Remember to get your Ride Previews and Ride Reviews in as early as possible.

IMPORTANT NOTICE

It is preferable for Newsletter content to be emailed in Rich Text format, as a Word document or inside an email. Photos should be high resolution .jpg files, no larger than 3MB. Photo's sent via mail will be scanned and returned if a self-addressed, stamped envelope is supplied.

You should always check to make sure that any emailed material has actually been received by the editor.

Advertisements will not be published unless they are accompanied by an appropriate cheque made out to the NSW ERA. Long term display advertisers can be invoiced by the NSW ERA. For more information please contact the editor.
