Hard to believe but another successful endurance year is almost over

Don't forget to put the AGM in your diaries. It will be held in Windsor on 2 March 2019. Keep the date free.

There are no ride previews in this newsletter but as the ride calendar for 2019 is looking extremely healthy, there should be a lot in the January February newsletter which will help with planning your 2019 riding year.

Please continue to send in your photos and stories. We want to know what you and your horses are doing.

Thanks to everyone who has contributed during the year.

Wishing all our members a Merry Christmas and a healthy and successful New Year.

President's Report

The final newsletter for the year WOW how time flies. As a committee I believe we have had a very productive and cohesive year. The introduction of only one ride per weekend has proved to be very profitable for ride organisers as well as a great boost for the State budget, and seems to have been well received by our riders and trainers.

The pinnacle event for our sport The Tom Quilty is all over, Congratulations to Kristie Taprell and Castlebar Belair from Victoria.

I have to say a huge congratulations to Andrew Bailey riding Twynham El Zephyr, following their success at the NSW State Championships Andrew and his steed managed to take the heavyweight 1st place in a time of 11:51:21, awesome job Andrew and the entire Bullio Endurance team. Imagine what may have been if Andrew hadn't suffered a pretty serious calf muscle tear at the very start of the ride, it really proved to me that endurance truly is the name of the game, Andrew showed true perseverance.

I would also like to congratulate the NSW sky Blue team which placed 2nd in the teams event with 3 out of 4 completions, the team consisted of Shirley Clark-Oso Zoltan, Lizzie Moir-Prince Emani SPA, Steve Brooks-A'Landell Pirate and Talyn Nix-Homeleigh Mountain Khalids Komet.

Commiserations to the Navy Blue team which unfortunately only had 2 out of 4 completions, this team consisted of Lou McCormack-Kintamani Silver Eclipse, Clare Fleming-Warrawee Gay Paree, Corey Nix-Homeleigh Mountain Kosmo and Ellen Vine-Sangah Rose of Lilani.

Both teams represented NSW extremely well and we should all be very proud.

While on a personal note, what an awesome week Sue and myself had in Tasmania. We went sight seeing for 5 days prior to the TQ18, who would have known Tasmania has green stuff on the ground which they called grass. It grows in abundance down there.

By the time this newsletter goes to print our ride season will have finished, I hope all riders had a great season. Congratulations to all riders and horses which have managed to achieve a Top Ten result.

The calendar for next year is looking good so far, don't forget the Tom Quilty is in July next year so keep your horses ticking over so they are ready for an early start to 2019.

I wish you all a happy and festive season ahead, please stay safe and enjoy.

Cheers Tony

Attendance and voting

Any person can attend the meeting. However, only senior financial members are entitled to vote. If you were a Senior Member for 2018 or have joined as a Senior Member for 2019 you are entitled to vote. You do not have to rejoin to participate in the meeting but bring your 2018 membership card with you.

Proxy votes

Each senior financial member who attends may hold up to five (5) proxy votes on behalf of other senior financial members. A copy of the proxy form is included in this newsletter.

Proxy forms must be received by the Secretary at least 24 hours before the start of the meeting. Please note the contact details below.

Mail proxy forms to The Secretary NSWERA, 105 Langford Drive, Kariong NSW 2250 to arrive no later than Friday 1 March 2019. Please be sure to leave time for mail to arrive. Alternatively, forms can be scanned and emailed to the Secretary at secretary@nswera.asn.au to arrive no later than 12.30pm Friday 1 March 2019.

Nominations for Committee

An election of the new committee will be conducted. Anyone wishing to nominate must complete a nomination form, a copy of the form is included in this booklet. Please include your name, membership number, a brief description of your involvement with endurance riding and reasons for seeking election to the committee. Please sign the form.

Nomination forms must be received by the Secretary at least 7 days before the start of the meeting. Please note the contact details below.

Mail your nomination forms to the Secretary, NSWERA, 105 Langford Drive, Kariong NSW 2250, to arrive no later than Friday 22 February 2019. Please leave time for mail to arrive. Alternatively, forms can be scanned and emailed to the Secretary at secretary@nswera.asn.au to arrive no later than 12.30pm Saturday 23 February 2019.

Please note that there is no option to fax proxy or committee nomination forms this year.

Nominations for the Committee to be put on notice.

There are five positions up for election, each for a full two-year term.

Term ends February 2019	Term ends February 2020
Jo Davis	John Howe
Tony Warren	Kerry Fowler-Smith
Jacque Wright	Peter Bice
Noni Seagrim	Belinda Hopley
Talea Hasko-Stewart (resigned)	Matthew Walker

Nominations must be made by two current Senior Members (quote membership numbers). The nominee must be a current Senior Member and must give his/her written consent. Nominations for election to the NSWERA Committee will be accepted by the Secretary up to seven (7) days before the date of the AGM (NSWERA Constitution rule 17.1).

If insufficient nominations are received to fill all vacancies, the people nominated as per rule 17(1) will be deemed elected and further nominations will be received from the floor at the Annual General Meeting (NSWERA Constitution rule 17.2). If insufficient further nominations are received, any remaining vacant positions will be deemed casual vacancies (rule 17(3)). The committee will attempt to fill any casual vacancies in accordance with rule 16(4)).

If the number of nominations received is equal to the number of vacancies, the people nominated will be deemed elected (rule 17.4).

If the number of nominations received prior to the meeting exceeds the number of vacancies, a ballot will be held at the meeting and the five people with the most number of votes will fill the vacancies (rules 17(5) and 17(6)).

If further nominations are required to be taken at the meeting, and those nominations exceed the number required to fill the remaining vacancies, a ballot will be held. In this case, the number of people required to fill the remaining vacancies with the most number of votes will be deemed elected (rules 17(5) and 17(6)).

Notices of motions

Notices of motion need to be received by the secretary no later than 31 December 2018.

SMC Committee Notices

IMPORTANT NOTICE TO NOVICE ENDURANCE RIDERS.

Recently there has been a lot of discussion regarding the progression from Novice status to open Endurance rider i.e. a rider who may exceed novice time at an Endurance event.

Therefore, I would like to commend to you rules 29.3 and 29.4.

To progress from Novice status to Endurance rider status, the rider shall:

- a) *Successfully complete two Intermediate rides as required under clause 29.1 (c) and*
- b) *Successfully complete three endurance rides in any riding division.*

29.4 When a rider has satisfied Clause 29.3 they may apply to their respective DA (Divisional Association, in the case of NSW riders, NSWERA), to have their rider status upgraded from Novice to Endurance status.

This means, to contact Jacky Barlow, NSWERA's Secretariat on 4938 0081 or email secretariat@nswera.asn.au and Jacky will be happy to help you.

Please note that until you physically update your status you will have to ride at Novice time or risk disqualification if you exceed posted novice time.

Currently your Committee is trying to get this rule changed so that AERAspace will automatically upgrade a rider's status, however, until then the onus is on you the rider.

Please do not confuse the process of getting a yellow logbook for your horse. You may have the situation of your horse being an open horse i.e, can win a ride in faster than novice speed time but the rider may still be a novice rider i.e unable to exceed 14kms per hour.

Horse and rider both need to apply for their upgrade from Novice to Endurance status. Each is a totally separate process.

John Howe. NSWERA SMC.

NSW Registrar Notices

- JUNIORS – If you were born in 2002 or later you will be a junior in 2019.
- HORSE REGISTRATION – Please make sure you select Annual or Lifetime registration when you upgrade your Novice horse to Endurance and send the Registration form with the application.
- CREDIT CARD DETAILS – Please make sure these are supplied with your application for membership/logbooks etc – if I have to call you to chase up these details it will delay the process and delivery times especially early in the year when it is very busy.
- POSTAGE – Xpress Post – it is recommended that you request Xpress post if you need your items urgently and include \$7.00 with your payment. You can also track your item if it is a precious log book.
- LASTLY – If you know that you need a new logbook or an upgrade to Endurance for your horse or yourself for the start of the year and are able to organise this before January it would be greatly appreciated !!

HAPPY RIDING

Wonderful Woodstock Endurance Weekend

15/16 September 2018

The very picturesque area of Woodstock once again played host to a large contingent of endurance horse riders from all around the Eastern States. We had a great turn out of around 135 riders and their crew to support this very hard working Lachlan Endurance Riders Club committee and volunteers and their sponsors over the weekend.

The weather improved from Saturday's gusty and stormy onslaught to settle into a perfect cool spring day where riders were treated to an early frost which burnt off into a fantastic day for the horses with conditions ripe for some great times and completions!

We held a 20kms Introductory Ride on the gusty Saturday in which we had 24 starters, all finishing well within the veterinarians' stringent guidelines for this sport. There were quite a good number of riders trying Endurance Riding out for their first time and were very pleasantly surprised with the beautiful course laid out by our track people Karen Rhodes, Donna Tidswell, Helen Brown, Erica Allan and Dianne Cameron. There was also a sprinkling of experienced riders to assist where necessary, and riding their new horses to leg them up for bigger events.

Kate Blackwood's 'Daisy Duke' was the winner of the FREE entry to our next 40kms event by presenting and riding her horse in a very well managed way.

The 40kms Intermediate ride was held at 6am Sunday and saw 23 riders take part with 17 being successful. The winner of our "Step it up" award for free entry into our next 80kms event was Monique Funnell and 'Aztec'.

Sunday morning saw 85 riders head out at 5.30am to cover some of the most scenic country around the stock route and Waugoola, a distance of 43kms with the majority of horses easily passing the vet check. A second leg of 40kms was a little less challenging but nonetheless a second leg is always harder after already having ridden some 43kms. Many of the horses still looked amazingly fresh coming in off this leg, with the first home a Lightweight from Yass River in a time of 4.23.

Lightweight	Scarlet Oaks Amica	Gertraud Norton	J.J. Dresser & Co
Junior	Karumba Beamish	Levi Robinson	Jon-de-Le Arabians

Our Club also provides some special awards including the Margaret Cole Memorial award donated by the Hamilton family from Canowindra. This award is chosen by the vets and committee for a rider who has a special bond with their horse and this year it was won by young Kaitlyn Mercieca and her great Arabian friend "JRK Spyder".

Winner of our 'Oh Deere' special jacket donated by Hutcheon and Pearce in Cowra this year was awarded to Erica Allan who put a lot of work into organizing this ride and also managed to ride her horse in the 80kms, far above and beyond the call of duty! Erica rode in with Alan Lindsay to be our first two 'Locals' as well.

We wish to extend a huge thank you to our wonderful land holders who allowed us to traverse their properties, this is so very generous as they had to move stock and work gates for us, and the riders really appreciate such beautiful country.

Also our ride would not be able to go ahead without the very generous sponsorship we receive from around town as mentioned above in the tables, and also French's store and Ellis & Sons Saddlery.

Volunteers seem to come out of the woodwork for this ride as it is such a fun experience and Lachlan members really appreciate their assistance from year to year!

The Woodstock P & C also put in a lot of much appreciated effort and organization providing a top notch canteen for everyone as well as a Saturday night meal for those who wish to partake.

We would also especially like to thank our Veterinary personnel over the weekend Chris Dowey, Georgia Ladmore, Caitlin Chandler and Tony Parker. They worked extremely well with riders and committee appreciating their very approachable professionalism and assistance.

Our committee deserves a big pat on the back for a ride which ran like clockwork with no riders getting lost on a lovely course, the showground set up and layout of vetting, great sponsorship and an office and timing van which managed to keep up with such great numbers in the event.

Our next event will be scheduled by the end of the year and it is anticipated to be held mid March as in the past and there will be plenty of notice for locals wanting to compete.

Helen Lindsay, Ride Secretary

Margaret Cole Memorial Award donated by the Hamilton family from Canowindra was won by young Kaitlyn Mercieca and her great Arabian friend "JRK Spyder".

TQ 2018 NSW Team Members

Congratulations to Kristie Taprell and Castlebar Belair from Victoria on winning the Tasmanian 2018 Tom Quilty. Kristie completed the ride in a riding time of 10:05:07.

Congratulations must also go to our NSW rider Andrew Bailey riding Twynham El Zephyr who was first heavyweight in a riding time of 11:51:21. The NSW Sky Blue Team which placed 2nd in the teams event, consisted of Shirley Clark riding Oso Zoltan, Lizzie Moir riding Prince Emani SPA, Steve Brooks riding A'Landell Pirate and Talyn Nix riding Homeleigh Mountain Khalids Komet.

The Unrestricted Teams event was won by the Blake's Heaven Team consisting of Talea Hasko-Stewart and BH Bombora. Fia Hasko-Stewart and BH Adventuress. Ian Curtis and BH Summer Wind. Jason Rathbone and Marat MA. Well done NSW riders.

Ellen Vine, Clare Fleming and Steve Brooks have taken the time to compose a written report on their Quilty adventure for the newsletter. The Blake's Heaven team have also written an article for us and this report can be found on page 37 in this newsletter. Everyone sees things from a different perspective has different adventures and obstacles to overcome. Makes for interesting and enjoyable reading. A big thank you to all of you for your contributions.

The Tom Quilty - An endurance rider's biggest challenge!

By Ellen Vine

It is every endurance rider's dream to ride in a Tom Quilty and earn that elusive buckle. But once that buckle has been earned, it becomes almost like an addiction, you just want to keep chasing that triumphant feeling you get when you are handed that buckle.

I received my first buckle last year on my mare, but we then decided to put her in foal, leaving me to lease a horse to train and ride, whilst slowly legging up my novice horse. I thought that attempting the Quilty in 2018, especially as it was to be in Tasmania, would only be a dream. But half way through this year, I was given that amazing opportunity, to ride in the Quilty by Noni Seagrim (Fieryrange Arabians). I was paired up with Sangah Rose of Lilani (Rosie) and from then, the planning began.

Tasmania, a logistical nightmare. It was decided that Noni would head down early with three horses. My support crew and I would venture down the Wednesday before the big event. As the count down to the Quilty slowly ticked by, I ran through the normal emotions, happiness, nerves, mixed feelings (boats and I are not a great mix) and hope. I also decided to add the extra stress by applying and successfully confirming my spot on the NSW Navy Blue Team. It was an honour to be selected to represent my State in one of the biggest events an endurance rider can attend in Australia.

The day before the start had arrived and we busily got Rosie ready for team photos, passed pre-ride vetting and went for a small ride with our riding buddies, Shirley Clark and Oso Zoltan (in the NSW Sky Blue Team).

I was surprised that I actually got some shut eye before the midnight start. At 11:45 it was time to swing on and get on with the business of riding the Quilty!

The track was surprisingly undulating and mentally challenging, with lots of twists and turns, but hey, that's endurance, right? We came in off the first leg and it was crazy! There were horses, riders and strappers running around everywhere! We made it through the first 80km with plenty of gas still in the tank.

The third leg was a mental challenge of twists, turns and constant change in footing with lots of things to trip over. This unfortunately took its toll on us and we were becoming a little unstuck, but managed to get through the third leg vetting.

The fourth leg was 25km. Shirley and I made the decision to back right off the pace we had been travelling at and focus on getting that buckle! We gingerly plodded around with our fingers crossed, but unfortunately it was clear that Rosie and my mighty adventure had come to an end.

Rosie put in one hundred and ten percent all day and I was so upset at the thought that I had let her down and was not able to get a buckle with Shirley and Zoltan. But endurance is a sport of great highs and the lowest of lows.

It was fantastic to see the other NSW Team (Sky Blues) come second in the State Teams section and our very own Snowy Zone Team come second in the restricted team's event.

This journey could not have happened without the generosity of Noni Seagrim and the support of my crew, who worked fabulously as a team. There is definitely no 'I' in "team" or "endurance"!

TQ18—Clare Fleming

This year's Tom Quilty Gold Cup was held in Scottsdale Tasmania.

Davo, Scarlet McQueen and I left home midday Wednesday 26th September with two horses loaded: Warrawee Gay Paree (Pablo) and Aloha Desert Thor.

We only got 40kms down the road to discover that the trailer brakes were failing. Not good with approximately 3200kms to go!

It took three attempts and over \$500 to secure an auto-electrician to find and fix the problem at Dubbo ... yeah!!

By Saturday we are in Melbourne ... where we spend about 24 hours before joining the Spirit of Tasmania for our voyage across Bass Strait. Approximately 7pm Sunday evening we leave the horses with plenty of hay and all the windows of the float open for ventilation.

The seas got a bit rough, but the horses looked bright in the morning when we joined them again about 7am.

A quick trip down the road and we are soon at Pat Lampreys for a bio-security check and a couple of days rest before another two hour trip to the ride base.

Photo courtesy of Ruth N Timperon

At the ride base, camping is tight and green pick for the horses is non-existent. Showers have been trucked in and these are a welcome addition.

The track was concussive in many legs with road work sections involved. CERA shoes helped to keep my horses sound throughout the ride and both horses finished with no visible swelling in their joints.

Team Flemingo took two horses down to complete. I rode Pablo in the Dark Blue NSW Team, while Melissa Longhurst rode Thor in the QERA Team. Unfortunately, neither of our teams placed in the Teams Event. Both horses did personal best 160km ride times ... cutting over 30 minutes off previous ride times.

In total there were 141 riders, 54 in lightweight. Both our horses finished equal 6th (only minutes out of the top 5 horses) in a time of 11hrs and 52 minutes, averaging 15.4km/hr in the last leg.

Thanks to the TQ18 Scottsdale Team... Committee, vets, volunteers, checkpoints, sponsors and everyone else involved. A great event!

Thanks NSWERA for selecting me to represent NSW in TQ18.

Talyn Nix riding Homeleigh Mountain Khalid's Komet was a member of a NSW Team. Talyn was 5th junior and completed the ride in a time of 14:45:27

Tom Quilty 2018

Steve Brooks Recalls Taking the Plunge

If I've learned anything about endurance riding over the past few decades, it's that you should never ignore or postpone the opportunity to do something special. Especially something as special as the Tom Quilty.

For instance, mid-way through 2014 my good friend and chief critic Peter Bonham nagged me almost senseless to make the trip to the West Australian Quilty. I had the horse (A'landell Pirate) ready, I was reasonably fit and the only reasons I could give myself for not going were that I was busy with work, too much time away, and whatever.

Besides, the Del Rio 50th Anniversary Quilty was on just down the road the following year, so I could give WA a miss and line up for the NSW event in 2015. Or so I thought.

Anyway, Peter and wife Liz headed off across the Nullarbor, meeting up with Alan Mackinder on the way, and generally having a great time capped by Peter finishing second heavyweight behind Alan.

As for me, sure there were a few regrets but never mind, Del Rio was waiting in the wings.

Well, Del Rio was just three days away, the horse was ready, I was ready, all systems go. Then the horse developed a foot abscess. Gone! Oh well, there's always Victoria next year. Again, so I thought.

After a good State Ride at Harden in 2016 – finishing third heavyweight and knocking Peter off for Best Conditioned horse – the stars appeared to be lining up until Day Three at Shahzada when 'bang', a suspensory ligament went 'twang'. Consequently, any thoughts about the South Australian Quilty in 2017 went out the window with the decision to give Pirate the best part of a year off to recover and no other horse even close to ready for such a big ride.

Another good friend, that widely acclaimed sultan of strappers, Brad Jones calls it the 'Quilty Curse'. Not me! I just call it 'Stupid Steve' for not going to Western Australia in 2014.

So then Tasmania in 2018 started to loom into distant view. Terrified of jinxing myself, I said nothing to anyone, not even wife Julie.

Hang on, that's not quite true. I did, very quietly, have a chat with Alan Mackinder who was having similarly secret thoughts but sadly, a bad fall ended his Tassie trip before it even started. Still, his encouragement and experience were invaluable at every stage.

Of course, I could not even think about the Quilty in Tassie without a sound horse but confidence burns eternal in the foolhardy and frivolous, so I booked passage on the Spirit of Tasmania early in the year, just in case. But even then, I was surprised at how difficult it was to get the requested sailing days. Obviously, I wasn't the only one having a long range plan to cross Bass Strait.

Fortunately, Pirate put three good 80 km rides together and by this time I had to 'fess up to dear wife that hubby and horse might wander down to Tasmania for the Quilty.

'Oh, and by the way, seeing how you like Shahzada so much, would you like to do the 400 km on Pirate?'

My thinking was that it'd be good fitness for the horse and there was perhaps some safeguard in carrying Julie's featherweight frame rather than my heavyweight bulk. But behind it all was the realisation that if he didn't get through Shahzada, then there would certainly be no Quilty.

Apart from a girth rub caused by his owner and strapper, Pirate did Shahzada extremely well and so, this time there were no excuses and despite some trepidation at the extent of the exercise, Quilty planning went into overdrive.

Logistical issues with the trip were calmed immensely by the help and support of many friends, and the even greater calming influence of seasick tablets.

Having crossed Bass Strait many times, Ian and Trish Smith in Tasmania were a huge font of information about the voyage while on land, the generosity and hospitality of Allan and Jenny Caslick at their property in Holbrook were hugely appreciated and most gratefully accepted.

The daytime trip across the water was far from smooth but meeting up with a heap of other Quilty contenders from various parts of Australia – plus an ample dose of Kwells – settled the nerves immensely.

Landing in Tasmania after dark, the welcome of Pat Lamprey just 20 minutes out of Devonport was a massive relief. For the next four days, camped in an excellent paddock on the property owned by Pat and her husband Dicky, the horse settled in wonderfully on the rich grass and excellent training tracks in the surrounding bushland. Mixing with the likes of Gavin Peacock, Peter Clark, Colin and Tony Douch, and the Nix family, and blessed by stunningly good weather, the lead-up could not have been better.

Despite Dicky's considerable illness, the Lampreys' generosity and friendship were extraordinary both before, during and after the ride. Truly special!

As for the ride itself, it was a privilege to be part of the NSW team and from the get-go, the horse felt strong and keen. Best of all, his recovery rates were brilliant and with Julie and Brad Jones doing the strapping, he only needed a minute or two on every leg to be ready for the vets. Finishing the last two legs with straight 'A's was the icing on the cake.

It was, of course, a reasonably demanding track but you expect that at a Quilty. It is, after all, our national ride and as a mate would later mention, 'They don't just hand the buckles out, ya know. You have to earn 'em.'

The new buckle design has its fans and foes but hey, it's a Quilty buckle and something to be particularly proud of.

Now, sitting here a few weeks after the event, I find there's only one question grinding away under the skin: After more than 20 years of being involved in endurance at one level or another, why it took me so bloody long to actually get serious about achieving a Quilty buckle?

Like, how's this for inconsistency. My first Quilty attempt was at the Watagans in 1997 on an honest but most unlikely horse. Six years later at Canowindra I had a really good horse and high hopes but a stuff-up on leg three led to a severely disappointing withdrawal. Then, 15 years later, I went to Tassie, leaving home on my 66th birthday with a good horse and happy enough just to let Fate do its thing.

At the end of it all, one thing's for certain. God willing, I won't be putting the next Quilty on hold. Nor the one after that ... in Western Australia!

Central Ranges Endurance Ride Windeyer Ride Review

Brad Jones asked me to go to Windeyer to help out with the Windeyer twilight ride which was held on Saturday 13 October.

Naturally, I went and had a wonderful time working as an assistant Chief Steward with Neil Clarkson as Chief Steward

While it wasn't a cast of thousands, it was a fantastic group of people both old and new. One of the great things about Windeyer is the way in which the whole community gets involved in the ride. The R.F.S carts water out to checkpoints, looks after communication and is there in case anything goes wrong. The local catering ladies provided hot meals for the total duration of the 80km ride and were there until the end, Midnight.

Of course, the endurance family members hopped in, Robin Gossip and Di Cameron from Woodstock and Tayce Bice from Wisemans Ferry looked after the office with Allix, Wendy and Shelly Jones working as well. Gordon Smith and his dog and constant companion, Nash, travelled up from Harden to TPR and tell tales.

The riders included some very experienced riders, some of who had not been actively taking part for a while. It was a real blast from the past to see Graeme Burchell on one of his home bred paint horses. Age certainly has not slowed Graeme down, his take off into the 80kms was totally awe inspiring as he lit his after burners and blasted off. Garry Weiss was there completing his first ride in two and a half years. Ray and Karen Rhodes both came and rode the 20km ride, had a great time, Granny had a huge smile on her face every time I saw her.

I saw Karen talking to a young lady who had just completed her first ever 20km ride, Karen was giving some very positive tips and Kelly was over the moon in regard to what a great time she had.

Kelly told me that she wants to come back soon and will be after longer distances in the future, naturally, I tried to sell her on Shahzada 400.

Graeme Burchell riding Kiowa, 2nd HWt and BC.

(Continued from page 25)

Junior rider Jasmine Zimmerman rode Trian Moir Jasper to be awarded the Intermediate rug in the 40km ride.

French national Caroline Bouvresse, achieved her first 80km buckle and was one of the happiest people in Windeyer last Saturday evening.

The family sport aspect was further highlighted with Les and Rowena Robinson there to strap for their son Levi. It seems only yesterday that Rowena and Deakin Blue aka Yo Yo was a junior and young adult chasing the distance record set by Juanita the mule, she caught Juanita in the end.

Even the vets were a wonderful blend of old and new Head Vet Georgia Ladmore assisted by Kym Hagon and new comer Charlie Millthorpe.

From a Chief Steward's perspective the evening was wonderful; everyone was happy, friendly and cooperative. Everyone looked after their horses and all three events had a positive feel.

So next time there is a ride at Windeyer, come along and be inspired by what teamwork and positive attitude can achieve.

Discussing State Vet Panel: Three people, independent of the SMC as a source of advice and first options for interstate Quilty vets ect.

2018 AGM

Resolved that the NSW AGM will be on 2 March 2019 in Windsor. Every year we have problems with having time to print and send AGM info with proper notice. The later date will provide time.

Maxxis Project: Nothing further to report. Rider booklets to be printed.

AERA meetings Draft Constitution

Kerry said this has been a regular phone hook-up on Tuesday nights for 18 months. With the help of the AERA lawyer it is going to the AERA meeting as hopefully a final draft. Key points: State Associations are the members, with scope for honorary members. Cannot have organisations sitting at meetings, need people to sit on seats, representatives of the State members will be the Committee of Management, which will be proportional like presently.

At the AGM and any special meetings, States will be represented by delegates on a proportional basis as now. Role is to accept financial reports ect, delegates at the AGM might conduct ballot for committee members, same as our members at an AGM. Currently we have governance problem in that Delegates are worth different numbers of votes eg NSW delegates' vote is worth 150 each, SA delegate vote is worth 68. Another problem is that the members and the Committee of Management are the same people, no separation. Australian Sports Commission don't recommend this. New Constitution will keep the weighting in favour of the bigger States by having more committee members and delegates from those states. Provision for tele conference meetings, important to save money and allow extra meetings if needed.

NSW Office of Sport grant project:

Vests and signs being organised. PDF to be completed by Ian Curtis (thanks Ian). Belinda asked to get a second quote.

New members incentives

Belinda mentioned Intermediate teams event. Noted we need implement Bec Hogan's idea from the AGM, and should ask Bec for ideas.

John Howe: Treasurer, Newsletter, Zone 2 Delegate

I have sent you a copy of the updated profit and loss as a separate email.

As at lunchtime 3.7.2018 we had the following cash funds:-

Credit Card	:- \$507.14
Cheque Account	\$26,491.06
IBD 13.2.19	\$20,436.06
IBD 5.1.19	\$15,086.69
IBD 8.8.18	\$10,209.22
Total	\$72,730.17

From the profit and loss sheets, I'd like to highlight that:-

Our membership fees are up \$3,764.56. Income from ride entries is up \$3,595.44

Last year we had a development grant of \$25,000.00 which gave us a "false" profit margin. The \$25,000.00 was earmarked for very specific purposes. To date if we were to take this point, last year, minus the \$25,000.00 grant, we are actually \$6,800.67 ahead.

The increase in ride fees has more that vindicated our stand on ride bookings i.e., one ride per weekend only. Ride numbers are up and subsequently revenue. Thank you to Jax who has reminded Ride organisers of the \$5.00 fee increase from 1st July.

I have tried to find the minutes of the meeting where it was ratified that we would pay the Minutes Secretary \$30.00 per hour for every hour and part hour meetings went past midnight. I have not been able to find same, I did contact Greg Moore who

(Continued from page 30)

was President at the time and he has verified that this is the case. Therefore, I'd like to pay the Minutes Secretary accordingly and will move the appropriate motion as part of my report.

I have invoiced LERC for last year's State ride buckles. I have also found the motion re the NRZ and fees and a starting date, QERA will be receiving the appropriate invoice. These two extras will assist our annual bottom line.

I am also sending Jacque Wright an invoice for outstanding debt in regard to her jacket, \$55.00.

Newsletter:- *The newsletter will be out on time. The Advertising in the Newsletter is again taken by Carol Dixon Smith, Franco Saddlery and coming into the front inside cover, Con Bousianias.*

I propose that from next year, as discussed at the last SMC meeting, that access to the newsletter via the website be at the rate of \$20.00 per annum. It will cost more to get a hard copy as is currently the case. Regardless of the medium the Newsletter is produced in the Editorial costs are fixed.

Zone Two:- *Zone Two is now ready to host the upcoming NSW State Championships at Tooraweenah on the weekend 13, 14 and 15th of July. The 160km ride will start midnight, Friday and the 80km will start at 5.00 on Saturday. To date approx. 35 have pre nominated for the 160km ride and about 30 for the 80km ride, late entries are still being sourced and accepted. The major sponsors for the ride are:- NSWERA, LERC, Tamworth and Districts Endurance and Gilgandra Shire Council. If you're not riding, please consider coming along to share in the atmosphere and consider Volunteering for the weekend. Zone two the best in the west.*

NSW State ride:- *All is in readiness, the Vet Team will consist of Nadine Allen H.V, Kym Hagon who will assist in all matters. Treatment Vet will be Dr Timms from Dubbo. There will be tree line Vets to assist. Nadine will supply all drugs and fluids that may be required.*

A Vet hospital area has been set aside. Chief Stewards; Peter and Jeff Bonham, John Howe. Swabbing Steward. Belinda Hopley. Timing, Electronic and backup C.S Tom Mc Cormack. I have sourced the scanner from Haydn Fisher. Oso are to return the State Cup and all other trophies and rugs have been sourced.

I have engraved 15 State Buckles for presentation on the day. Any one missing out on the day will receive their buckle within 2 weeks suitably engraved with year, horse and riders names. Kind regards, John.

Peter Bonham doesn't have a CS vest. Belinda advised Peter to take this up with Jacky Swan and will lend her CS vest to Peter.

John said we are going along reasonably well. 12 more rides to come, the ride calendar is working well. We are on track and shouldn't have a loss his year.

Kerry Spratt: Secretary, Public Officer , AERA, IDP, Grants

Problems with the NSWERA website recently due to expiry of our Domain name. After speaking with our current web manager, Steve from Avon River, we should move the domain registration hosting to him. Kerry will approach Platypus(current domain name host) to get the transfer code. Put domain name renewal on the timeline being kept by Jacky Barlow.

Resolved to transfer our registration for the NSW ERA.asn.au Domain Name to Avon River. We are an .asn and we could be a .com.au. Originally .asn was cheaper. Steve suggested we should take out registration for nswera.com.au to prevent anyone else from having a domain name very close to ours, noting most people expect a domain name to be .com not .asn. Continue using .asn for the foreseeable future.

Resolved to take out registration for nswera.com.au.

Resolved to accept Talea's resignation. Portfolios need to be transferred to Jo and Noni.

Jo Davis: Ride calendar

The Rock, Bom Bom, Wandandian and Bago rides have been run successfully since our last meeting. The Rock had a total of 130 entries over the weekend with 99 of those being successful. (76% completion rate)

Bom Bom recorded 77 riders with 59 of those being successful (76.6% completion rate).

Wandandian recorded 138 riders with 129 of those being successful (93.5% completion rate).

Bago – will have to insert later as results are not available on AERASpace

Upcoming rides include NSW State Champs, Zone One Champs and Currowan.

Ride booking forms received for approval

2018

Bullio Cup – Amended ride booking – new name and new distances (now running rides both days) 3/4 November 2018

New Italy – Northern Rivers for Dual Affiliation – 18/19 August (Is the same weekend as Scenic City 20/40)

filling up. We may need to send out an EOI for an Easter Carnival and probably need to think about sending out EOI for 2019 NSW State Champs.

WEBSITE/STATIONARY

With the resignation of Talea, I have (kind of) assumed these roles. Website has had many updates since the last meeting and I am happy to continue to do so. I will also organise a logon for Noni as backup.

If anyone notices anything incorrect or needing updating on the website, please email to me so I can rectify.

We have had a few issues with the website this week, the domain needed re-registering. I believe that this is in hand and the website should be back to normal ASAP.

Matthew Walker: Horse Welfare, Early Warning System, Vet Liaison, Biosecurity

This month I have learnt how to access AERASPACE login.

Corresponded with the Tumut treatment vet.

Drafted letters to owner of horse observed bleeding from the nostrils

Finalised organising NSW ERA Vet accreditation course.

Picked up Maxxi bibs.

Organised swabs kits for State Champs.

Vetted in Qld.

Spent countless hours analysing the Invasive Treatment statistics of Hendra vaccinated versus unvaccinated horses over last 4 years. The maths is scary. Will discuss further on night. Matt

Belinda Hopley: Zone 5 Delegate, Chief Stewards and TPRs

Wingello report: 4 horses treated, one rest order. Very well organised with more help than last year. Track well marked. Bago: one treatment with rest order.

TPR School to be held at Shahzada. Noted advice to keep entry forms for 5 years. Belinda asked if we could have the minutes on line. Agreed that the summary reports could go on the website. Noni and Jo will post these reports, to be provided by Kerry.

We no longer have a rule requiring membership cards to be presented when entering a ride. While this is the rule, it can be very useful if cards are viewable at time of entry. Belinda wants it recorded that 'If there is an issue with membership not being clear on AERASpace at a ride that you need to present your membership card to enable you to do the ride.'

Faith Robinson: Zone 1 Delegate,

Paperwork for St Albans Training Ride has been approved by NPWS. Q60 plans are coming along with a slight change to the second leg removing one of the three big hills that were in it last year. New scales are to be purchased.

Peter asked if it would be ok to get new scales and then invoice the NSW SMC for 50% of the cost. Discussion on the original concept of items allocated to the zones: after the initial allocation by NSW ERA, zones were to replace items as needed.

Stationery, International, website – to be assigned

Jo is happy to continue on with Website with Noni to be backup. **Resolved** to confirm this arrangement.

Noni Seagrim: Facebook, Merchandise, Zone 4 Delegate, AERA, website

Zone 4: The Snowy Zone Championships were hosted at The Rock over the June long weekend. Running in conjunction with the Australian FEI Championships, a total of 107 competitors entered the AERA events and 23 competitors in the FEI events. The rain in the preceding few days saw the track a little slippery for the 25km and 40km rides on Saturday but in almost perfect condition for the main rides on the Sunday and it held up very well. Many thanks to Col, team OSO and the extended crew of helpers in all aspects for a well-run event. The next ride for the Zone is Scenic City introductory and intermediate rides on the 18th of August.

Facebook: Not a lot to report, posting notices as required and reaching a good number of members this way.

Merchandise: Team uniforms have been ordered for State and I will take them up. Some ROs have been in contact regarding Intermediate rugs and I have organized those.

State ride checklist: Belinda has written the MOU and will send it out for discussion.

Teams competition from AGM and Annual

Teams: Bec Hogan will provide suggestions on how to proceed with this. Hold over.

Intermediate members: This is the suggestions tabled by Adeline Gibson. Hold over (late hour).

Safe horse riding on public roads.

Bec Hogan gave Matthew a proposal for safe riding. She has organised a survey on horse riding accidents. Bike riders are covered but if a horse rider falls off because it has been spooked by a car, then it is perceived as just a horse accident. Even though it was caused by a motor vehicle.

Invasive treatment statistics

Matthew read out statistics on Hendra vaccination over the years and would like to give the data to a statistician for analysis. Agreed that all the information will be sent to Kerry also, for analysis by a bio statistician for comparison.. Kerry stressed the need for all identifying information to be removed, and is ok for Matt's project to go ahead subject to this condition.

Faith left the meeting at [11:22].

AERA financial payments

Matthew asked about the AERA pays for AERAspace, depreciation costs, who is paid and what they are paid. John suggested that Matthew read the AERA minutes to see the amounts of money paid out. AERA should be asked what exactly the AERA own and what is the depreciation figure covering? Letter from David Summerville tabled and read, having been sent to Matthew. There is a rather large depreciation figure listed and \$55,000 supposedly lost on the SA Quilty. There are questions there to be asked. Matthew to send a copy of this email to the other AERA delegates. Send to Kerry and Noni. Kerry said the March financial statements were sent to everyone.

Tom Quilty 2018

The Blake's Heaven Team

Crossing Bass Strait with horses is something that Fia and Talea Hasko-Stewart had not previously done. Since the ferry (Spirit of Tasmania) operators changed their procedures and banned owners from visiting horses after departure on the 10 hour trip, it seemed too much to ask of our horses.

But this year Talea was keen to go as was her partner Jesse Buchan and Ian Curtis. Fia thought she might just strap and Adeline Gibson (Talea's sister) was equivocal. The ferry had to be booked early and so passage for two floats was booked and paid for in late January, many months ahead of the event (starting at midnight on October 6).

Sure enough, a lot happened in the intervening months. In the lead up to the TQ the team had multiple dramas including a major eye injury for Jesse's horse, and Bombora with a lump that might have been a tumour. Plans were up and down and all around: on again, off again. Jesse decided not to ride, but to strap, so Fia decided to ride – but her proposed horse vetted out at Woodstock after kicking herself. What else could go wrong?

As it turned out, not too much. A week out from the ride, our line-up was confirmed. Ian's spare horse Marat MA was offered to our friend Jason Rathbone, who leaped at the chance, and we set about organising our trip.

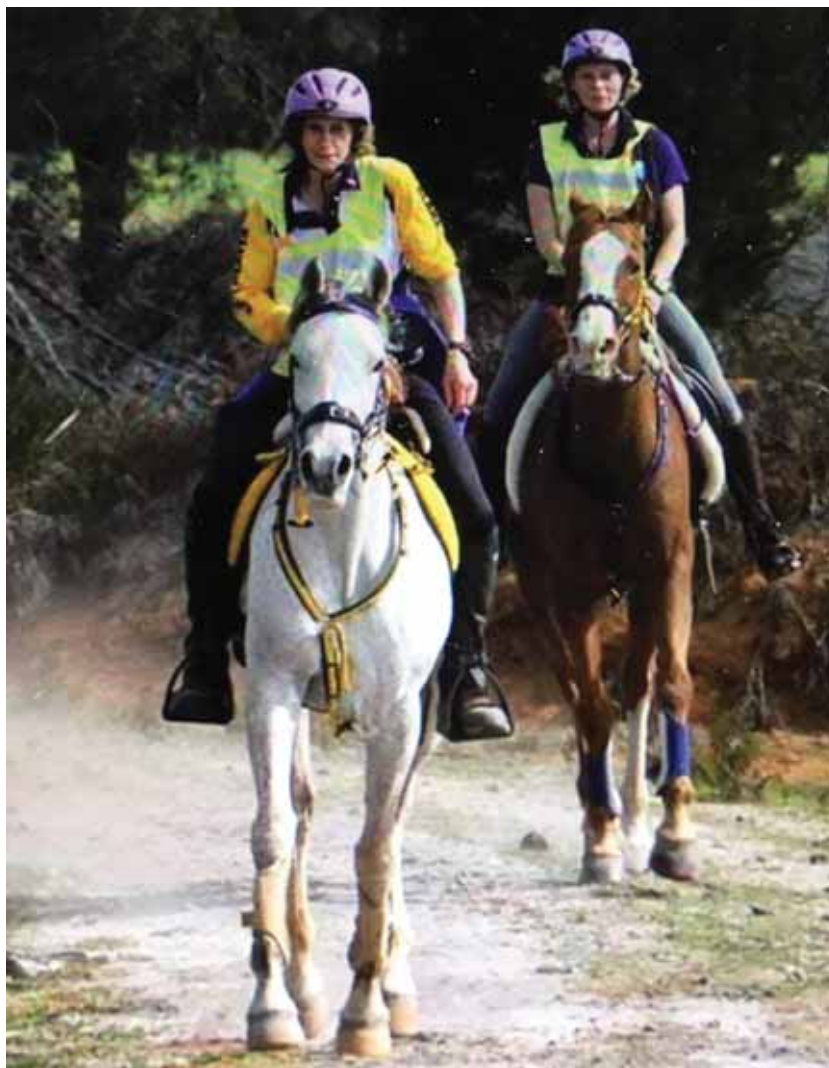

To break up the travel for the horses, we were able to stay at Jason and Jayne's property only 2 hours from Melbourne. Then on the evening of Sunday 30 September we drove into the heart of Melbourne. We found a park near the ferry and offloaded the horses for a last bit of grass and freedom, causing much curiosity from locals and also from the horses when trams went past in the dark. Then it was back on the floats and off to the boat.

Buckets with water and hay were hung up for each horse, the windows were dropped down and the back of each float was tied

open for maximum ventilation. Then we said goodbye to them and headed upstairs. A few hours later Talea discovered she really did not like boats, especially when they hit rough weather, but we made it and bright and early were allowed down to see our horses. They were all great, and we were able to drive off the ferry and give them grass and a stretch with no delays. Another major hurdle crossed!

Like most TQ entrants we had arrived early and it was good for all to have a few days to relax, see some sights, give the horses a bit of exercise and of course for us, glue their boots on. Then on Thursday we headed to the ride base, near Scottsdale in the north eastern corner of Tasmania.

Now Jason finally got to meet Marat and we started to get excited and nervous. The fact that we were not out to win made things a lot more relaxed, but the Quilty is still a big deal. Adeline flew in to Launceston to head the strapping team of her, Jesse, Jayne and Zoe Rathbone, and Ian's old Army mate Bill Cox, who was on a very steep learning curve about horses.

Fia Hasko-Stewart riding Blake's Heaven Adventuress riding time of 14:08:43 with Talea Hasko-Stewart riding Blake's Heaven Bombora in the same time of 14:08:43

Ian Curtis riding Blake's Heaven Summer Wind completed in a riding time of 14:08:50

On Thursday night the AERA presentations were held and again, very special for us. Bombora received his 10,000 km rug – what a legend! But wait, there's more. BH Summer Reign received his 8000 km rug! BH Summer Wind also got his 3000 km rug. Go team!

We were also thrilled for the NSW riders who won national points and distance awards, including Sue Warren and Sue Todd.

On Friday we all vetted through perfectly and then "slept" for a few hours before the wake up call at 10.45. There was no chance of anyone sleeping in – lights all over the venue were blazing and very loud music was blaring!

It was the first 160 or any ride over 80km for Fia's mount, BH Adventuress, but Fia felt she would handle the excitement with Bombora to settle her down. Wrong! Adventuress was calm while Bombora was extremely fired up and naughty. There was very little room to manoeuvre and with Bomb jumping around, Talea and Fia left the showground and rode down a quiet road instead. Ian and Jason were riding as a pair and went out without a fuss while Talea and Fia waited and left in mid field, much to Bombora's disgust as he clearly thought he should be racing!

The weather is worth noting. We had been in Tasmania for five days and had only had the slightest bit of rain, and by amazing good luck, this continued. But it was cold, and the coldest morning was Quilty morning! This was a plus for the horses but had strappers shivering and huddled around fires, where they could, while waiting for their riders.

The first leg went fairly smoothly for the whole team, there was a bit of everything with the first 15 km or so along a wide road and then more interesting tracks. The only incident occurred at 27 km when Bombora, fed up with being held back, attempted to double-barrel Adventuress. The little mare leaped sideways, throwing her head up and in the process, whacking Fia in the jaw. Nothing was broken, however, unlike the 2016 Quilty where Fia's horse fell and crushed her foot, so we considered this lucky despite the massive purple and yellow bruises!

Ian and Jason arrived back first but Talea and Fia were close behind, as planned. Marat, carrying heavyweight with no training at that weight, had poor gut sounds so the focus was on helping him. We all let the horses eat grass during leg 2 but kept pretty much to our game plan. After leg 2, Marat was improved and all horses vetted well. We were looking good.

The sun was now up but it was still cool. The course was proving to be challenging, not just because of the hills but because the forest tracks had tree roots protruding from the sand, providing constant opportunities for the horses to trip. We were glad we were not racing as we could see some big slips and slides from the front runners. When we were not on open tracks we proceeded very cautiously. At the end of leg 3 we were rather dismayed to find not one but two very steep hills, the second one steep enough for Shahzada. We got off and walked, and ended up running all the way down the hill to base. It was worth it to have the team intact and with great vet parameters after 120km, Marat having improved again.

By this time we were overtaking some riders. One of them was Shimpei Miyamoto from Japan. His stirrup had broken and he did not know what to do. Talea had a leather lace on her saddle and tied it up, and rang Adeline to tell Shimpei's team, who were able to meet him later in the leg with a new saddle.

Leg 4 of 25 km followed parts of leg 3 and leg 2. There were still lots of hills and lots of tree roots. We were all riding together now, with Bombora leading until one of the others wanted a turn. Fia was disappointed

(Continued on page 39)

(Continued from page 38)

that Adventuress' logbook was no longer perfect, as a key water stop had run out of water towards the end of leg 3. This was a problem for other horses too, we later learned and was really the only logistical problem we encountered with the whole ride, apart from the start.

Now we only had 15 km to go and the horses felt great. None of them complained about going out again, even little Adventuress. Off we went and of course there were more hills, but then we hit the road that we had ridden out on, on leg 1. The end was in sight and we let the horses move and off they went! We were bowling along at a fast canter and had to stop them racing up the hill, mindful that Marat was working hard. We trotted fast the last few kilometres and then we were back.

Having experience with major rides certainly helped at this point to suppress any nerves. Once again the horses were ready to vet after a few minutes and we all went in. One by one we got the thumbs up and fine words from the vets. Happiness!

There was more joy to come. Our bodyworker Evelyn said Bombora and Adventuress felt better after the 160, than before. Marat placed 3rd heavyweight. And we won the unrestricted team's event!

As Jason's ride had been organised so late in the day, he and Jayne and daughter Zoe were booked on the ferry early the next morning. It was a shame that Marat was therefore unable to work out for best conditioned, as the horse must be ridden by the same rider, especially when we discovered that the two horses ahead of him were not being presented. We still knew he had done brilliantly, as did the whole team.

We were very happy for the winners, both Jaz Hutchins and Beer Street Bewitched who took line honours, and Kristie Taprell on Castlebar Belair, and the other well deserving placegetters. Many others did not get the final nod which was sad given the effort involved even in getting there.

Sunday was busy with presentations and then dinner and the dance. On Monday like most of the interstate competitors we moved ourselves and the horses to give them a break before the ferry and float back home. We followed the same procedure and were very happy with the way the horses looked and felt.

All in all, we felt that going to Tasmania was not as difficult as we had expected. Although it did take a lot of time, money and planning, travelling with horses always does. And for us, it was worth every bit of it.

SMC will take an active role right from the beginning with whoever takes on the State ride. Tony and Peter will make a start on this.

Maxxis Project (Emily Streckfuss chair, Kerry Spratt, Bec Hogan, Renee Kirk)

Kerry said there is a link for the UTube clip which is basically finalised, just need to remove the Office of Sport logo as there is a new one. The production is designed for TV and we need to pursue this. Kerry provided Bec's suggestions on things that need to be organised prior to advertising to support people who show an interest.

Resolved that there is support for this idea and acceptance by those present about contributing to TV advertising, with particular resolve to applying for grants.

Jacque Wright dialled in at [7:48].

Kerry played the prepared add on her computer. It is a 30 second commercial.

Jacque discussed figures she had received from WIN and Southern Star, and said she should be able to look at costings and a plan in the next couple of weeks, and will email this to the group. Noted the need to have this information before the next meeting because of the grant application deadline. Agreed to advertise in regional areas, mainly because of cost. The add could be cut down to 15 seconds which could be useful as well. Considerations:

What do we want from mentors/advisers?

List of frequently asked questions by new comers.

A list of suitable people to help.

We need to hand pick the 'mentors'. Consider reaching out to the ride organisers/secretaries.

We need to assess what the advertising achieves. What is success from advertising based on? Ride numbers or increase in intermediate memberships. We could put questions on the day membership form to ask how people became interested in endurance. Jacque to speak to Bec Hogan and send ideas to the committee.

Jacque was asked if she has the invoice for the vest and the Burruga ride stationery folder. She said she did and would attend to both matters.

AERA meetings Draft Constitution Jacque dialled in again at [8:37] after the meeting broke for dinner.

Kerry reported on the recent AERA meeting.

Belinda had put up some changes to AERA etiquette draft which was the version discussed.

Questions from the financials, including about

(Continued from page 40)

computer depreciation and retained earnings. The only answer provided was an explanation of 'retained earnings' and an attempt to give an explanation was given here.

Ride levy was increased to \$4. Kerry said NSW and Vic voted against the motion. Proposal was to increase it to \$5. Discussion took place, comment that the AERA needs to generate money to operate. AERA say that this rider levy is user pays, and this is where the money should come from.

Tom McCormack has an electronic timing system which was used during the trial. AERA says we cannot use this unit for free and we will need to hire it through AERA.

Agreed that copies of log books can be sent when requesting new logbooks.

Removal of rule to allow automatic upgrading from novice rider to endurance: AERA did not agree with this but agreed to upgrade AERAspace to alert registrars of eligible people.

Use of vet cards at intermediate rides: Rule will be changed back to what it was originally, so if a horse has a logbook, this must be used.

2019 Quilty: Matthew Walker will be head vet, Sandy Little is the Head CS.

Motion passed that AERA acknowledge Intermediate awards for horses having done over 200 km. This will be a scroll that must be purchased on application.

Retained earnings: questions on financial statements not really explained. The AERA Profit and Loss shows \$8,500 profit, \$16,500 in invested account, total \$35,500.00. There are also trade debtors.

Steve Swan was asked for a business plan for proposed fee increases, including expenditure. Suggestion that AERA executive approve payment of their own honorariums. Kerry advised that this is incorrect, no one votes for their own payments, the AERA exec are not approving their own honorariums.

Preparation of new Quilty buckles: Sources of buckles from around the world were investigated, the buckles being prepared by Gerard Bou were good quality. A selection of old Quilty buckles can be purchased (about \$400 each) mounted into hardwood timber so they can't be worn. Can only be purchased for successful completions.

NSW Office of Sport grant project: Belinda Hopley (chair), Jacque Wright, Peter Bice, Adeline Gibson,

Jacque has nothing to report on this. The money is pretty much spent, Peter said they getting quotes for bibs, directional arrows and other signs used for rides. Kerry has applied for the correct logo for the NSW Sport. Jacque spoke against the purchase of signs, mentioning the previous 'caution horse signs' which disappeared. She

believes they won't be an asset because ROs don't return things. Tony said these signs were given to individual ROs, not Zones. Agreed equipment needs to be allocated to the Zone committees on the understanding that it is available to all rides in the Zone boundaries and that the Zone Committees are responsible. Noted Phil Coleman is now the Zone 6 delegate, philcoleman143@gmail.com.

Tony Warren: President,

Our year is really flying by. The State Champs have been run and won, congratulations Courtney Freeman and Andrew Bailey taking equal line honours, job well done. We have Shahzada next week and only 4 more 80k rides and 1 40k ride left on the calendar.

Somehow we need to encourage a few more committees to put their hands up and run some more rides. Good luck to all riders attending Shahzada next week I hope the conditions are favourable to all. On a committee level all seems to be coasting along smoothly, so all is well. Cheers Tony

Peter Bice: VP, AERA, Ride Standards/ Feedback, Governance, Child Protection

Ride standards: *The membership seems pretty happy with the way rides are being conducted. Some ride organisers would like some guide lines to give to vets on how to judge the intermediate award, there have been a couple of suggestions that perhaps AERAspace could be configured to suggest potential candidates for the award.*

Ride feedback: *There have only been a few feedback forms come back, all in the positive but still a bit disappointing. However it seems to be human nature to criticize no matter how happy you were with the event. Ride organisers need that pat on the back for all their hard work, commenting about the grass being too long or the toilet door facing the wrong way is getting a bit petty. The rating system works well. But we need more positive comments.*

John Howe: Treasurer, Newsletter, Zone 2 Delegate

As of lunchtime today we have the following funds available:-

Corporate Credit Card	\$878.98
Cheque Account	\$37,175.58
I.B.D's 13.2.19	\$20,436.06
5.1.19	\$15,086.69
8.1.19	\$10,311.93
Total	\$83,889.93

I have forwarded the profit and loss statement to you all as a separate email.

We still have to bank Kiwarra's money and with 6 more events to come, I feel that we are in a good position.

At the meeting, I'll expand upon a number of financial points that I have extracted from the AERA's last minutes.

AERA, as I have already noted wishes to increase their rider levy from \$3.00 to \$5.00, of course

(Continued from page 41)

there is no reason for them to stop at that point, especially as the levy was meant to be "a \$1.00 stopgap that had a sunset clause on it i.e. when they got their percentage of the entry from TQ15" This, to me, means that we'll have to factor this into next year's budget. We'll no longer be able to absorb the cost and of course, I don't feel that the R.O's should have to pay the levy, so the riders will have an extra cost on top of their entry fees.

September October Newsletter is coming along well. The deadline was 10th August, thank you to everyone who got their articles in on time. The Newsletter will hit the mail boxes late September with an article on Shahzada included.

Zone Two: The N.S.W state championships has been run and won. A little disappointing in regard to numbers but with Victoria the week before and Qld the same week, there isn't much we can do. Thank you to all who came and rode and to those who came and helped, it was a great weekend.

Windeyer will be on 13 and 14th October and Bullio Cup on 4th November to end the season. Zone Two The Best in the West.

Further email sent out.

The profit and loss sheets Jan to July, 2018.

Please note that our income has risen this year by \$2,731.83. Considering that last year we had a grant of \$25,000.00 we have done very well. Our expenses are down from \$128,133.94 to \$106,300.70 which is a 175 decrease from this time last year. A very good effort.

I have previously written to the Executive in regard to reducing the membership fees for the rest of the year from 1st August by 50%. We tend to pick up one or two this way, hopefully we'll get a few more who may be considering having a go at an 80km ride towards the end of the year.

John said that while he is aware that we have a fair amount of money we need to ensure that this is used appropriately for the members. At one stage we were spending faster than we could earn it. We have reversed that trend. Wishes we had more members. Big expenses of the AGM and the point score awards. Two IBDs that we could use in January if necessary.

MOVED THAT John Howe, Peter Bice the treasurer's report is accepted and the accounts be paid.
Carried Unanimous.

Kerry Fowler-Smith: Secretary, Public Officer , AERA, IDP, Grants

Some time ago a letter was received from the AERA reminding NSW ERA that the northern Rivers Zone arrangements from 2015 are potentially up for review this year. We will reply advising that we don't want anything to change from the current situation. Bio Security forum being held on 30 August in Sydney (Shahzada week). Kerry suggested we should have somebody attend. Matthew said it appears to be a

general bio security, covering topics including bees, wheat, turtles etc. Unfortunately no one nominated to attend.

Jo Davis: Ride calendar RIDE CALENDAR REPORT

Rides have been run successfully since our last meeting.

NSW State Champs @ Tooraweenah had a total of 69 entries over the weekend with 44 of those being successful. (73% completion rate)

Q60 recorded 140 riders over eight different rides offered over the two days with 127 of those being successful (90.7% completion rate). Notably only six riders opted to elevate to the 100km

Currowan – recorded 140 riders over their two days which offered six events, with 134 of those being successful (95.7% completion rate).

Kiwarra Cup – recording 74 riders over the two days which offered six events with 63 of those being successful (84% completion rate).

Upcoming rides include;

Scenic City

New Italy (QERA dual affiliated)

Shahzada

Julie Woods Mt Cole Muster (VICERA dual affiliated)

Ride booking forms received for approval

Nil received (the one in Jax's report for Bago is to be ignored please, it is actually from 2018 as advised by Lizzie Moir). Unfortunately Homewood has had to cancel their ride for this year.

Ride Booking Procedures

Final version is posted on the website, and was sent to Helen for inclusion in the July/August newsletter. They made it to the newsletter, but so did the old ones unfortunately. I have advised Helen of this error to ensure that only the new procedures are in all future newsletters.

Have also sent to Peter for sending out to the RO forum via Facebook Messenger, not sure if this has been done or not?? Peter can I please be added to this group so I can communicate things like this in the future?

Until I have confirmation that these ride procedures have been sent to the RO's group I am not, willing to contact ride committees one month before requesting confirmation of the ride's Head Vet, Treatment Vet and Accredited Chief Steward; as well as the ride entry fees

EOI for an Easter Carnival and 2019 NSW State Champs – have sent this to Helen to be included in the next newsletter with a closing date of September 30. I will also send to Noni to be put on Facebook and I will post on the website.

WEBSITE/STATIONARY

Have noticed there are two forms on here that are VERY old for the State Championship application process. Can I please have confirmation that

(Continued from page 42)

these can be removed, and if there is something that they can be replaced with? Have done a few updates to other forms as asked, and updated the front page congratulating our State Champions.

Peter asked Jacque to add Jo Davis to the relevant group and email Jo advising that she is doing this. Tony to ask Belinda about the State Champs application form. Phil said that Homewood was cancelled because there just weren't the people available to run the ride.

Matthew Walker: Horse Welfare, Early Warning System, Vet Liaison, Biosecurity

Vet Report: Since last meeting I have vetted Qld State Champs at Stirlings Crossing, the venue for next year's Quilty. The venue and area are well suited to hosting a Quilty.

Attended FEI Vet Treatment and General course. This was attended by a number of new NSW young vets. The course was very thorough and more than adequate to qualify them to become NSW ERA accredited.

Attended AERA meeting and was accepted as Head Vet for next year's Quilty. Which means I have been nominated as 2IC vet at this year's Quilty.

I am vetting at Stirlings Crossing again next weekend for another 160. So should have plenty of practice by next year's Quilty. Matthew Walker

Matthew said there were some accreditation expenses with a south coast vet, agreed to pay some of this, on receipts or invoices. Matthew spoke about bio security to the QERA Quilty, treatment hospital was under discussion, they would like horses coming from Hendra zones to be PCR tested to ensure that they are clear.

Belinda Hopley: Zone 5 Delegate, Chief Stewards and TPRs

Ride CS Reports

The Rock (9/10/6) and Wandandian (23/24.6) are outstanding.

Tooraweenah – 13/14.7, State Championships 160k and 80k: There were no problems with this ride. Peter apologises for not introducing the State team at the pre ride. Peter also commented that the office had a hard time with the new rule about not having your membership card, as the computer was not at the entry table. The rider and trainer dec's were not filled out or signed. Novice to endurance status .made a lot of work for the office girls. Perhaps a few articles in the newsletter.

The riders were great in the vet ring and on track. There were no invasive treatments for this ride. Riders commented to me that it was a tough ride and hard underfoot. It certainly was warm even for there.

Q60 – 28/29.7.18 - 10, 20 & 40k Sat, 10, 20, 40k & 100k elev Sun.

Noted that there was not much you could do about the track. The 2nd leg was very difficult especially through the 4wd track down Gees Arm. There was

a bad mud patch which caused a few dramas.

Currowan – 4/5.8.18 - 10, 20 & 40k Sat, 20, 40 & 80k Sun.

CS report noted some issues with not enough water and feed on course – being in drought made creeks which usually flow to be stagnant, some horses refusing to drink. Also feed was very scarce on verges, and checkpoint hay was not supplied at checkpoints. I spoke with organisers about this and they have taken it on board for next year. There was one horse presented to the vets at the ride presentation for a moderate colic after completing 10k on Sat and 20k on Sunday.

Kiwarra – 11/12.8.18 – 10, 20, 42 & 80k.

Ride was well conducted. Unfortunate incident of a horse catastrophe placed a lot of strain on the ride organisers/officials but the ride still ran smoothly. Ride organisers are to be congratulated on the way the issue was handled, with Steve Broadbent in particular handling the issue and keeping the riders, support crew and myself (CS) informed at all times. Rider suffered a broken collarbone. 2 riders stayed with injured horse and rider until vet and ambulance arrived, and both these riders completed the ride.

All riders conducted themselves well and office ran smoothly.

Only suggested improvement to ride base would be to the vetting area which had restricted area for run out due to available space and uneven ground. In/out were through the same gate which was the start/finish point for timekeepers leading to a choke point, however this was stressed to the riders at pre ride to take extra care when entering and leaving vet area.

No problems encountered but could be if large number. One horse received inv tmt for a moderate colic post ride with a 4 week RO. Horse stayed in camp overnight on advice from HV.

Scenic City 20 & 40k is happening on the weekend.

CS/TPR-

It is with regret I announce that Jeff Bonham has resigned as a Chief Steward. Jeff has stewarded at many rides, including State Champs and Tom Quilty rides. Jeff was one of the original Chief Stewards in NSW. On behalf of NSWERA I thanked him for his untiring efforts and contribution in many ways (running and assisting at rides, including SC and TQ's) to our sport. I would like to get him a vest with the reminder of the Embroider Me money.

There has been a TPR school ran at Kiwarra and another to be run at Shahzada.

South Coast Zone News-

Grants Subcommittee-

We have spent nearly all of the grant money. The last few dollars are to be spent on signage and volunteer bibs. We are awaiting final prices (still trying to get the appropriate files) before going ahead.

EA NSW held a Treatment Vet Accreditation course in Sydney that I attended and spoke to the vets. Matt and I are looking at a later date for an AERA Vet Accreditation course.

Belinda's additional email report – sent 17 August 2018

Attached is my report - I have sent the Kiwarra reports in full to Tony.

Medication control procedures were done at the State Champs and were well received. What is our policy for SC team members that pull out at the last minute? They are supposed to tell us. Do they still get a uniform? I have started chasing their ride reports.

Riders are still not presenting LONO for themselves or their horses (they assume once they have done it, that's it). Can we put this rule on the website/newsletter/FB?

Is it worth a chat to Vic and QLD to see if we can get a SC series going, as it would benefit all riders when trying to get qualified for the TQ (if you dip out there is another one soon as opposed to the 3 of them in 2 weeks)?

Need to pick TQ team selectors and manager (note TQ managers duties same as SC). Also I note that the TQ nomination form went out without a \$ value on the fuel money we give, so that needs to be decided.

The old SC forms on the website I asked to be removed some time ago. I have a draft MOU awaiting final endorsement from the SMC.

The Intermediate Award conditions were discussed last year and it was decided to discuss again at the end of the year for next year. There was an info sheet either sent with the rug or in the paperwork sent to the ride for the riders chosen and the vets.

New grant - what about running a Riders forum AND a repeat ROF in unison next year at Bathurst? The ROF wanted another meeting this November but we could do that early next year - Adeline and I have done a lot of work for the riders' forum and wouldn't take much to get that up. \$5000? This grant could also replace the scales and scanners.

Discussing the horse death at Kiwarra. Catastrophe report should be sent to the AERA. Peter Bice to take care of this. Chief Steward report still to come in.

Resolved vest for Jeff Bonham to be arranged. Kerry to notify Belinda.

Faith Robinson: Zone 1 Delegate:

Q60 report has been sent separately to Helen by Brianna Webb.

Matters for discussion

1. The Intermediate Rug Awards were instigated to encourage new riders to elevate to 80km rides.

We would like to propose that the guidelines for selection be amended to include that the rider must

be a novice rider.

Many rugs have been awarded since the Tumut Trainers in Feb 2017, however Open Endurance Riders, too often, have the advantage of fit horses and experience over novice riders on novice horses.

Intermediate award - vets need to know the guidelines for award. Perhaps a note to them in ride folder

Can AERAspace enable the sorting of intermediate rides into **time** order to make life easier for the office to determine eligible riders.

The function is there but it doesn't work. Currently time consuming for office/vet to sort through horses' heart rates, times etc.

The Zone recommends that the awards only go to a novice rider. This has been discussed by the SMC previously, and decided against. Jacky Barlow will be asked to put criteria details in the ride stationery. Peter noted that this is not an encouragement award. Discussion that it can be seen as is endurance riders giving this award to other endurance riders. Noted that the first criteria are all horses within 1.5 hours of the first horse, then lowest heart rates and the physical condition of the horse. Almost complete agreement that this award is very hard to manage at the end of a busy ride. Vets are dealing with so many other things as are ride offices. At the end of this year we will review whether the award continues. Jacque said that as a RO she sees it as a great promotion to the sport.

2. We propose three additions are added to the Ride Entry Form under Rider information:

Q.1. If you have a medical condition, please note it here.

Q. 2. Please list any medications you are taking.

Q. 3. Allergies

Reasons: If a rider becomes unconscious, the first aid officer can check the entry form and will have information regarding possible reasons for their condition.

Related questions are on NSWERA membership forms, but nothing on day member's forms. First Aid Officers should have this information available in the case that someone collapses at a ride. This situation happened at the Q60, and just by luck, the rider happened to be actually talking to the nurse.

General discussion: People would not fill in the form as they may think they will not be allowed to ride, details not required by current insurer. Faith was told that an incident form should have been filled out in relation to the rider falling off his horse.

3. Have created a new section on the Zone's website. It now includes help and advice in the form of a page dedicated to NSWERA (newsletter, calendar, forms - both rider and horse, rule book)

(Continued from page 46)

<https://www.zone1enduranceriding.com.au/nswera>

There is now a page dedicated to links to various social media (zone pages, ride events, ride committees, photographers, help and chat groups, and different studs and stables.

Zone 1. Q60 ride report. *Although the ride was very well attended by riders in the smaller distances we only had 25 riders in the main ride. This was despite excellent conditions and the track being made easier than last year.*

Changing our identifier from "Sydney and Environs" to "Sydney Region Endurance Riders" and would like this added to any rides that go on the calendar – esp. the St Albans Ride and Trainers in February. Reason being that newcomers from the Sydney catchment have no idea that Zone One, Q60, or possibly even Upper Colo is within an hour or two from them. Email contact shall remain:

zone1endurance@gmail.com *Is this the contact that the SMC has?*

Agreed that the name change could take place. Zone One need to advise Jo Davis, Helen Rich and Jacky Barlow.

Noni Seagrim: Facebook, Merchandise, Zone 4 Delegate, AERA, website

Zone 4: *The Snowy Zone Championships were hosted at The Rock over the June long weekend. Running in conjunction with the Australian FEI Championships, a total of 107 competitors entered the AERA events and 23 competitors in the FEI events. The rain in the preceding few days saw the track a little slippery for the 25km and 40km rides on Saturday but in almost perfect condition for the main rides on the Sunday and it held up very well. Many thanks to Col, team OSO and the extended crew of helpers in all aspects for a well-run event. The next ride for the Zone is Scenic City introductory and intermediate rides on the 18th of August.*

Facebook: *Not a lot to report, posting notices as required and reaching a good number of members this way.*

Merchandise: *Team uniforms have been ordered for State and I will take them up.*

Some ROs have been in contact regarding Intermediate rugs and I have organized those.

New grant applications

Kerry mentioned the new local sports grant which closes at the end of next week. Kerry gave the guidelines to Faith. Jacque asked for a copy to be sent to her.

Sport Development Grant. This is the program that funded our current project.

New grant applications open 15 August and close mid September. Aims include increasing sport

participation and supporting national events in NSW. The Quilty is something to consider when in NSW. Kerry was told by Office of Sport that we could apply for anything that is not excluded, including equipment. It will not fund wages, events outside NSW, nothing already completed, rental, office equipment, maintenance or replacement costs, trophies or presentations.

There is a need to come up with some ideas before the next meeting. Kerry will register an application on Monday. The rest of the SMC must put their thinking caps on and get the ideas to Kerry. For discussion next meeting.

Intermediate members (January item 225)

Adeline's proposal was handed around and discussed.

Resolved to write to Adeline and thank her for the ideas. Kerry to ask Jacky to include membership forms in the ride stationery.

Resolved: If someone does two rides as a day member and pays day membership, and then decided to upgrade to full membership within that calendar year, we would take the money they have paid off full membership fees.

Resolved that the resolution shown above would also apply to an Intermediate membership. Paid for Intermediate membership, upgrade in the same year to full membership by taking the Intermediate fees off the full membership. This would give voting rights at the AGM. Still six rides to come.

Tom Quilty Teams for 2018:

Phil Coleman, Peter Bice, John Howe agreed to be the selection panel for the TQ Teams. Kerry to ask Noni to send the nominations to these three. Noni may be available to be team manager, Tony will be at the Quilty. Noni and Tony could be the managers with Kerry as backup. Discussing contribution to the team members.

Moved Kerry Spratt, John Howe

That \$100 for fuel cap and a jacket for the Quilty.

Unanimous

State teams

Is it worth putting NSW members up for the State teams where we compete against ourselves. Is this worth the cost? Possibility that while the sport is shrinking, the money could be better spent elsewhere.

Moved Faith Robinson, John Howe

That NSW ERA dispense with putting NSW teams into NSW State championship rides.

Unanimous.

There being no further business the meeting closed at 11:34 pm.

NSW ENDURANCE RIDERS ASSOCIATION INC. RIDE BOOKING PROCEDURES

1. A ride must be booked a minimum of three months prior to the proposed date for the ride. This requirement may only be waived with the consent of the State Management Committee (SMC) under exceptional circumstances.
2. Ride booking forms will be considered in the order in which they are received (including FEI).
3. When forwarded to the Secretariat the ride booking form **must** contain;
 - (a) an alternative date,
 - (b) have appropriate contact details,
 - (c) be signed by a member of the ride organising committee,
 - (d) Indicate if there are to be any horse health requirements enforced on the ride (please see rules 14.1 and 16.5 AERA rules – amendments to AERA Rulebook applicable 01/01/2018).

Incorrectly filled forms will be sent back and may hold up approval.
4. There will only be one Endurance Event scheduled for each weekend.
5. The NSW SMC will have the right to approve or refuse a ride application in the overall best interests of the NSWERA membership. Alternate dates to be advised to Ride Committee.
6. Priority in allocating dates will be given to ride organisers with an established endurance ride event to maintain that event; alternate dates will be advised by the NSWERA SMC.
7. Rides must have approval from the NSWERA SMC before the ride is advertised ANYWHERE, this includes rides being conducted to replace cancelled rides.
8. Any changes to an already approved ride, e.g. distance changes, additional rides; must have an amended ride booking form submitted to the NSWERA SMC for re-approval and cannot be advertised until reapproved.
9. The ride booking form will indicate the ride committee's request for their ride to be dual affiliated with another State.
10. The ride organiser will receive confirmation of approval, or non-approval, by the ride calendar portfolio owner in writing as soon as practicable.
11. Correspondence will be forwarded to ride committees one month prior to their ride requesting confirmation of the ride's Head Vet, Treatment Vet and Accredited Chief Steward; as well as the ride entry fees.

Logbook & Identification Procedures

A horse is a novice for a minimum of 90 days from the date on which it successfully completes its first affiliated endurance ride and may only attempt four rides during this period, ie if a horse successfully completes its first ride on 1st July, it cannot upgrade to endurance status until after 28th September and may only enter four rides during this period. There is no limit on the time it takes to reach endurance status. Your horse can be a novice for as many months (or years) as you like.

When your horse has successfully completed 240 kms of affiliated endurance (not training) rides, it can be upgraded from novice (blue log book) to endurance (yellow log book) status.

Ensure the brands are clear. If not, have the horse re-branded or microchipped (Refer to rule H5.2(a) - (b)) and H5.3).

Have a vet complete the horse identification form (written description and diagrams) and sign it. Identification and microchipping can be done at most rides, but it is advisable to check with the ride secretary beforehand.

Complete the logbook application form and attach I.D. form, novice horse logbook and the appropriate fee.

Please allow 10 working days from date of posting for return.

It is essential to retain a copy of the I.D. form and perhaps have it laminated for the future.

PLEASE NOTE An Endurance Horse Logbook will not be issued unless a signed Veterinary Identification Form **is** enclosed with the application. The I.D. in the novice log book is NOT acceptable.

If there is anything that you are unsure of, please do not hesitate to phone me.

TPR Notice

All TPR's are now accredited for life, regardless of when you qualified. All the known TPR's are being put on the NSWERA website (Horse Welfare, TPR) and AERAspace. If you are qualified and you go to a ride to TPR and you are not on the list, the CS at that ride will check your abilities and knowledge of the current rules and will re-accredit you on the spot. Your name is then added to this list. If you are not on this list, then please contact Belinda Hopley.
